VI. Presentations (10 MINUTES PER PRESENTER)

A. Student Concerns—Yareli Contreras

Audit Findings: 2 informational session meetings turn-out was not great. If you need more information must go through process of BAC. Students Concerns: Public Forum during accreditation, ASU was not involved enough with Library hours due to ASU reps not relaying all info back to ASU. Yareli encourages students to come to ASU to ask reps in person regarding any concerns.

Frank Lozano: Sub ICC meetings, held 2 meetings. Frank handed out a print out that shows how business is carried.

Frank Lozano explained the need for unity between clubs and ASU. ASU and clubs are not divided entities. Frank said; "no need for animosity we should stand united".

B. Smoking Resolution—Milton Castro

Milton Castro created a resolution he will present to work environment committee. It is to enforce district policy.

Conflict because on the policy it says ELAC has designated smoking areas so we must change language. One voice
