TRANSFER CURRICULUM

Transfer requirements are subject to change. Students should check with a counselor for current transfer information.

The major in Chicano Studies provides an excellent background for students interested in a variety of careers. A multi-disciplinary program, Chicano Studies offers courses in the Social Sciences, Humanities, and Basic Skills Development. The program generates an awareness and understanding of Mexican Americans in the United States. Moreover, it provides excellent preparation for students interested in careers in Education, Law, Social Welfare, Public Administration and/or Business.

A student may obtain an Associate in Arts Degree in Chicano Studies by successfully completing 20 units or more in the major in addition to satisfying graduation requirements.

A number of nearby California universities, and private institutions have developed baccalaureate associate degree programs in Chicano Studies. The student is urged to consult the latest catalog of the institution to which he or she plans to transfer. All courses listed in the departmental section of this catalog under Chicano Studies are acceptable for transfer as part of the student's General Education requirements for California State University and University of California transfers.

COURSE DESCRIPTIONS (CHICANO)

CHICANO STUDIES

2 The Mexican-American in Contemporary Society (3) UC:CSU IGETC Area 4C

Lecture, 3 hours.

The course introduces the student to the major characteristics of the largest growing ethnic group in the United States. Special attention will be given to the social, cultural, economic and political elements which differentiate Mexican-Americans in relationship to other groups in American society.

3 Sociology and Psychology of the Latin American (3) UC:CSU IGETC Area 4C

Lecture, 3 hours.

The general focus of the course examines the psychological and sociological influences on the Latino/Mexican population within the U.S. Sociocultural and developmental factors will also be covered. The application to Latinos of traditional psychological and sociological theories, developmental theories, and empirical research will be examined and evaluated.
