and resources with leading criminal justice professionals to make sure our students are prepared for jobs in the criminal justice system. Specialized career majors include a law emphasis, Chemical Dependency Specialist, custody, crime scene and fingerprint classification as well as patrol and preparation for police academy training.

Are you looking for a career that offers action, excitement, great pay and benefits, and a chance to make a difference in your community? A career in the criminal justice system is what you’re looking for! Enthusiastic, energetic, and knowledgeable faculty will assist and guide you every step of the way. ELAC uses its contacts and resources with leading criminal justice professionals to make sure our students are prepared for jobs in the criminal justice system. Specialized career majors include a law emphasis, Chemical Dependency Specialist, custody, crime scene and fingerprint classification as well as patrol and preparation for police academy training.
Admission is Easy
Anyone 18 years or older qualifies for admission to East Los Angeles College. People under 18 qualify if they graduated from high school or have passed the California High School Proficiency test. High school students may concurrently enroll at ELAC with the consent of their parents and get an early start on their college education and career guidance second to none.

Applications and information to register for day and evening classes are available by calling 323-265-8966.

Success is Close to Home
Success = great teachers
the award-winning ELAC Administration of Justice faculty has decades of first-hand experience in the criminal justice system, as well as a burning desire to help our students achieve their educational and career goals. Our faculty constantly attends seminars and workshops to stay updated on the latest developments in their fields and upgrade their knowledge of the ever-changing field. A diverse and dedicated Advisory Committee comprised of professionals from county and municipal police agencies, county probation, state parole and private security forms works with our staff to ensure that our students receive education and career guidance second to none.

Employment opportunities within the criminal justice system are at an all-time high, including career paths in law enforcement, police services, airport security, police support services, correctional services, probation, parole, as well as retail and private security. our award-winning program offers several unique and valuable certificates including Chemical Dependency Specialist, Fingerprint Classification, Public Safety Dispatcher, traffic Investigator, and many others. our faculty and Advisory Committee work together to guide our students into internships and full-time employment after graduation.

2340 Firestone Blvd.
South Gate, CA 90280
323.357.6200

Success = High-Tech Classrooms
Classes are held in state-of-the-art classrooms designed with computer-based presentation material that harnesses educational experiences of students, faculty, and industry. Practice applications, hands-on experiences, and police training academies, job placement services, and knowledgeable speakers and guest lecturers are offered by the ELAC County Sheriff's Department and the police industry. These seminars and techniques are supplemented by our state-of-the-art equipment to prepare graduates for the cutting-edge field.

Success = Student Club
The Administration of Justice Student Club has over 100 enthusiastic members and activities at both the main ELAC campus and the South Gate Educational Center. Club members engage in networking and guest speaker events as well as community service, such as the annual toy drive for underprivileged children. over the past seven years, the AJ Student Club has raised and awarded scholarships valued at more than $20,000 to help deserving students continue their education.

Success Costs Less @ ELAC
Tuition is low, less than $400 per semester for a full-time student. in addition, our engineering faculty provides support in various fields such as science, mathematics, and more.

Success = Career Connections
We offer a wide variety of resources to help our students succeed in their careers, including job fairs, internships, and career counseling.
