Student Design Project

The Rolling Huskies Human Powered Vehicle Team invites you to join:

The team will be participating in the annual competition sponsored by the American Society of Mechanical Engineers. The purpose of the Human Powered Vehicle Competition (HPVC) is for the students to design, build, and compete a vehicle against other university students. The competition is open to all majors, but only engineering students may be vehicle drivers during the various events (i.e. Design, Sprint, Utility and Endurance).

To join sign up in the Engineering Department Office: E7-104

Why Join:

- New Skills
- Design/Manufacture/Assemble
- Hands on Experience: Application of Textbook Knowledge
- Team Work
