What is English 21 Accelerated?

- a challenging course to develop your writing, thinking, and reading skills to a pre-English 101 level in only one semester
- free weekly supplemental instruction (SI) sessions for each class with a leader specifically trained for your section and instructor

What is Supplemental Instruction(SI)?

- weekly 50-minute out-of-class sessions that reinforce class concepts through collaborative learning
- sessions are facilitated by a student who already completed transfer-level English
- sessions focus on what your specific class and instructor are discussing each week
