

SLO Year End Status Report

Thank you for taking the time to complete this report. As you are aware, it is important that East Los Angeles College track our progress in creating, assessing and revising Student Learning Outcomes on campus. The Student Learning Outcomes Process is ongoing and used for continuous quality improvement. Its primary purpose is to facilitate student success. SLOs are also required by accreditation.

Please submit this form (the following two pages) to the SLO Coordinator by **June 13, 2008**. You may either turn in a hard copy to the SLO coordinator or Academic Affairs office, or send as an attachment to either Anthony Samad Samadaa@elac.edu or the office of academic affairs. Please type. Forms are available through your department chair, the SLO coordinator or facilitators (listed below), or academic affairs.

Attach to the completed form:

1. Minutes from any discipline/department meetings specifically devoted to SLOs
2. Copies of any assessment instruments (such as a test or survey)
3. Summary of assessment data.
4. List of discipline members

Examples of completed forms are posted on the SLO portal. Go to the ELAC website/academic/student learning outcomes/portal/resources.

In addition any of the facilitators would be willing to assist you if you have any questions regarding this year-end Status Report.

Thank you in advance for not only completing this form in a timely manner, but also for your continued support and dedication to SLOs. Our college and our students are better served through your efforts.
