Al Cone has been ELAC Athletic Director for the past decade. He is a native East Angelino and attended Los Angeles Valley College where he played baseball, receiving honors and co-captaining the LAVC team as a sophomore. He earned bachelor’s and master’s degrees in Kinesiology. After a successful high school teaching and coaching career, he joined ELAC in 1989 and soon became the Head Baseball Coach. ELAC baseball teams flourished under his leadership. The college sponsors 15 athletic teams, seven for men and eight for women. ELAC boasts a world-class football and track facility, a superior swim stadium and an excellent women’s softball field.
CalWORKS is here to help you achieve self-sufficiency!

ARE YOU RECEIVING TANF? (FORMERLY KNOWN AS AFDC)

The GAIN/CalWORKs office provides the following services to TANF recipients:

- Completion of Self-Initiated Program (SIP) Verification Forms, Vocational Contracts and Progress Reports
- Assist in meeting the 32-35 hour requirement through CalWORKs, work activity, lab time, internship, and workshops
- Academic and personal counseling
- Case Management services and referrals
- Assistance with books, supplies, transportation and child care
- On and off campus workstudy positions
- Resume and interview preparation assistance
- Job and Personal Development Workshops
- Job listing boards and internship opportunities
- Classes in GED (General Educational Development), ESL (English as a second Language) and ABE (Adult Basic Education)

COME VISIT US!
We are located in the CalWORKs Building (Stadium Parking lot). Schedule an appointment with our Case manager and let us guide you through the CalWORKs process.

OFFICE HOURS:
Monday – Thursday
7:30 a.m. – 5:00 p.m.
Friday
7:30 a.m. – 4:00 p.m.
323.265.8998

SOUTH GATE OFFICE HOURS:
Tuesday, 8:00 a.m. – 3:30p.m.

LOCATION: A.S.U. Office
**ITV/The Weekend College** classes allow students to complete general education classes in a focused eight-week format. The classes are offered on four campuses: City [C] and Southwest [SW] Colleges on Saturdays and Valley [V] and Pierce [P] Colleges on Sundays. The first college listed is AM only 9:00-12:00 Noon. The second college listed is PM only 1:30-4:30 PM. Students attend only one class meeting each weekend and may attend at any location.

The classes are taught by the same instructor at each campus. The classes are taught in a highly effective “blended format” combining the weekend class meetings with online activities and half-hour video lessons creating a dynamic learning environment for all students. The video component is available on cable television in the City of Los Angeles and in broadband, on DVD and in the College Learning Resources Centers on campus.

Students enroll online using the Student Information System, selecting ITV as the campus. Students are advised to consult with a College Counselor when planning their Associate Degree or transfer program. For questions or registration assistance, call 818/833-3595. Financial aid is available for qualified students; fee waivers also apply to these classes. Transcripts are issued by L.A. Mission College.

Mathematics Engineering Science Achievement

MESA STUDENT BENEFITS

- Academic Advisement. The MESA program has its own academic advisor to help students develop their educational plans and provide transfer guidance. The academic advisor also assists students with personal statements, scholarship applications, and resumes. Appointments must be made in order to meet with academic advisor. You may call (323) 780-6837 or email Monica Garcia graham2@elac.edu to schedule an appointment with the Advisors.

- Meeting with MESA Director. The MESA students may need or be required to meet with Dr. Armando Rivera for different reasons including Research Opportunities, Grade Point Average, Recommendation Letter and/or Advisement. You may call (323) 780-6730 or email Lidya Ermias ermiasl@elac.edu to schedule an appointment with Dr. Rivera.

- Tutoring Services. The MESA program provides tutoring services by MESA students or Alumni in the fields of mathematics, engineering, chemistry, physics, biology, and environmental sciences. The tutors schedule and information is placed outside of the MESA office two weeks after the school semester has begun. There is a tutoring binder in the MESA Study Center that is used by the staff to book appointment. Although we encourage students to make appointments, walk-ins are also welcomed. You may book an appointment in person in the study center or by phone by calling (323) 780-6838.

AEGs are facilitated by ELAC instructors who are currently teaching mathematics, chemistry and physics. The purpose of the workshop is to provide students with assistance outside of the classroom in specific courses.

- Access to the MESA Loan Program. The MESA Loan Program provides MESA students the opportunity to borrow school materials for the academic semesters. These materials include text books, scientific/graphing calculators, educational films, and laptops. According to availability, there may be a limit of materials a student may borrow; usually it is one of each material (i.e. 1 book, 1 calculator, etc.). There may be exceptions, for further questions regarding this rule, please contact the MESA office staff at (323) 780-6730. The loan program will be first come first served.

- Access to the MESA Study Center. The MESA Study Center is a place where MESA students come to study in a unique environment provided by a family oriented setting and the on-site staff. MESA students are able to focus on their academics by using the study center as location to study with other MESA students and to take advantage of what the study center has to offer. The MESA Study Center has 8 computers, four white boards, study space provided by study tables, one couch, and a television. If that is not enough, MESA students are provided with dry erase markers and dry erasers during their study sessions, limitless scratch paper, and printing privileges. The study center is a privilege to MESA students, and there are a set of rules the students must follow in order to use these services.

- Scholarships, Internships, and Research Opportunities. Weekly emails inform the students about scholarships, internships, and research opportunities. If the student would like more information regarding a particular opportunity, they are encouraged to contact the MESA staff at (323) 780-6730. MESA staff is continuously looking for opportunities for students. Whenever there are scholarships, internships, or research opportunities, MESA students are promptly informed via email or phone calls.

- Email and Information Updates. MESA students are notified about campus events, transfer information, student services, and other related information through weekly emails. MESA students have the advantage of knowing what services are offered throughout the campus ahead of time by through emails. It is the student’s responsibility to provide the staff with an accurate and up to date working email address. This will facilitate the weekly emailing process for the advantage of the student. If the student does not receive emails, it is the student’s responsibility to notify the staff about the issue.

- Science Transfer Day. During the fall semester, MESA hosts a group of representatives from local universities who come and share information about majoring in mathematics, science or engineering at their institution. This event is a great opportunity to learn about different schools and what they have to offer. All MESA students are encouraged to attend this event. Whether you are applying to transferring during the same academic year or in the future. It is a great opportunity to learn about your major and local schools.

- Field Trips and MESA Retreat. MESA students are invited on educational field trips with the MESA staff as well as other staff on campus. In addition, once a year, MESA students are encouraged to participate in the MESA Retreat. The retreat is an opportunity to learn about green practices, develop leadership skills and get to know fellow MESA members. Field trips will be announced with sufficient time in advance for the students to plan ahead if interested. The MESA Retreat is dependent on funding and is done once a year. Sign-ups for the field trips and retreat are typically done a month in advance. For more information regarding field trips and the retreat, please contact the MESA staff at (323) 780-6730.

In collaboration with the California Connects Chancellor’s office and The Foundation for California Community Colleges (FCCC), East L A College Math, Engineering, Science Achievement offers students of good standing with a free laptop, provided by the Department of Chamber Grant. Students are committed to expand computer literacy in the East Los Angeles region by volunteering and teaching computer skills to family and community members. In addition, MESA is collaborating with Computer Applications & Office Technologies (CAOT) and the Information Technology (IT) department at ELAC in order to provide students with important computer skills through our IT Academy and a certiprot Microsoft examination certification.

ELAC Athletics offer a comprehensive selection of sports for both men and women designed to enhance collegiate education and promote and develop educational leadership, physical wellness, sports and participation, recreational pursuits and athletic excellence through a competitive intercollegiate program.

Excellent coaches, world-class facilities, professional trainers, academic support for student athletes, travel, and enhanced scholarship and transfer opportunities are great reasons to participate in ELAC athletic programs. Are you interested in competing in intercollegiate athletics? Contact ELAC Athletic Director Al Cone at 323.265.8913 for immediate information. Plus, our athletic competitions are great entertainment! We invite all students and friends to cheer your favorite team to victory, console them when defeated, enjoy collegiate spirit and celebrate our marching band and pep squads.

To access the ELAC Athletics program, consult www.elac.edu and click on “Athletics” at the top of the page. All the latest information on how to apply to participate in a sport, contact coaches, review exciting photographs of ELAC teams in action, game schedules, and even find universities where graduated athletes are playing is available.

THE HONORS PROGRAM OFFERS YOU:

- Guaranteed priority consideration for admission to UCLA, UC Riverside, UC Santa Cruz, UC Irvine, Occidental College, Pomona College, Chapman University, Whitman College, Loyola Marymount University and Mills College.
- Academically enriched classes, stressing critical thinking and written expression.
- Honors designation on your transcript for each completed Honors course.
- Increased student-instructor interaction, and more frequent association with other academically motivated, transfer-oriented students.
- Easy registration for Honors courses, along with special counseling and mentoring services.
- UCLA library card, field trips, research conferences, and cultural events.

ELIGIBILITY FOR THE HONORS PROGRAM

- Continuing Students – A cumulative “B” average (3.0 GPA), eligibility for or completion of English 101, and completion of 12 transferable units.
- New Students – A cumulative “B” average (3.0 GPA) in high school and eligibility for English 101

REQUIREMENTS FOR COMPLETING THE HONORS PROGRAM

- Enrollment in 6 or more transferable units per semester, maintenance of a 3.0 cumulative GPA and a 3.0 GPA in Honors courses.
- Completion of six Honors courses with a 3.0 GPA for certification upon transfer.
- Honors credit is also given for up to two advanced science and/or mathematics courses taken from Mathematics 261, 262, 263, 270, 275; Physics 1, 2, 3; Chemistry 101, 102, 201, 211, 221; Biology 6, 7, and Microbiology 1.

To apply for admission to the Honors Program or to enroll in any of the Honors courses, see an Honors Counselor, Counseling Department or call (323) 265-8751.

FOR ADDITIONAL PROGRAM INFORMATION, CONTACT HONORS DIRECTOR, SUSANNE SPANGLER, K7-5 AT (323) 265-8655.
Adelante

FIRST YEAR EXPERIENCE... OUR TRANSFER JOURNEY BEGINS NOW

The Adelante First Year Experience is committed to the educational success of students. Adelante is a comprehensive program involving student services, linked courses, a stimulating learning environment, and committed faculty which together will provide all Adelante first year students with the very best opportunities to succeed in transferring to a four-year university.

HIGHLIGHTS
• Adelante counselor
• Accurate information on the transfer process
• Expedite the transfer process
• Make friends from day-one at college
• Immediate access to financial aid counseling
• Smaller classes
• Inspired professors that make courses interesting
• Coaches, how-to-study classes and study groups that help you succeed
• Visit universities and get advice on how to apply

REQUIREMENTS
• First-year college students
• Commitment to the Adelante Program for one year
• Participation in Adelante activities and events
• Enroll in Adelante courses, all courses are held at the main campus
• Qualify for Math 115 or 125, or English 28 or 101

The Math Advancement Program (MAP) seeks to help students achieve their educational goals faster by allowing them to take two required math courses in a single semester. Students will be supported by committed instructors and tutors, as well as additional resources such as a Friday lab.

Any ELAC student who has passed Math 110/112 or tested into Math 115 is welcome to join MAP by signing up for Math 115—but be aware that you are obligated to also take Math 125 with MAP during the second half of the semester. If there is space during the second half, the program may accept additional students.

**BENEFITS**
- The ability to complete both Math 115 and Math 125 in the same semester speeding up your path to graduation or transfer.
- Additional academic help from a tutor who is a local graduate or undergraduate student who has experience teaching algebra.
- Course content and materials that has been well-thought out and designed for you by a committed team of instructors.

**REQUIREMENTS**
- Because of the fast pace, students are expected to actively participate in the course, including doing all homework and lab assignments. MAP is not a program where you can come late to class or not do homework!
- Students should commit to working no more than 20 hours per week while in MAP.
- Students must be available on Friday between 12:00 pm - 3:00 pm for the lab sessions.
- Students must have access to the internet at home or be able to come to campus to use the internet. You must also have a valid e-mail address that you will check daily.
- Students should be prepared to spend 20 hours per week working on homework, attending workshops or study sessions, and working with classmates outside of class.
- Students will pay a materials fee to cover the cost of resources.
- Students must attend an orientation the Friday before the first class meeting.

**CONTACT INFORMATION**
For more information and to find out if MAP is right for you please see your counselor. For specific inquiries please email map@elac.edu.
