It may take two months to process by the government and campus. The PELL Grant is available throughout the year, but other grants have limited funding and may not be available if you apply late.

Any motor vehicle parked at East Los Angeles College between the hours of 7:00 a.m. and 10:30 p.m. must display a valid parking permit either suspended from the rear view mirror (facing out) or on the driver's side of the dashboard (facing up). Failure to display a valid parking permit will result in the issuance of a citation pursuant to California Vehicle Code (CVC) Section 21113(A).
2. It is the responsibility of the student/ instructor to properly display their permit.
3. Purchasing a permit does not exempt a student from receiving citations.
4. Board Rule #7401 "The Board of Trustees or the District will not be responsible for damage, loss of vehicle or its contents unless the District is liable under the Government Codes 810 to 966.6 inclusive."
5. Vehicles parked in violation of campus or CVC regulations may be cited and/or towed away at owner's expense.

THE WRITING CENTER, K5-1

Helps students with all writing assignments.

Our tutors are highly trained to help students develop and organize their thoughts, enhance their writing, and improve their grammar. We provide quality service to all students who wish to strengthen their writing and critical thinking skills. This assistance is available for all subjects including the Social

Sciences, Nursing, Child Development, and English. Our tutors are dedicated to enhance student learning with guided personal input, and we encourage students to take advantage of the Writing Center's one-on-one tutoring. We also offer group workshops, which cover topics such as brainstorming, developing and organizing ideas, writing thesis statements, analyzing texts, using proper punctuation, writing research papers, and researching in general.

Our purpose is to help students become stronger and more independent writers. However, the responsibility of making changes rests with students. During a tutoring session, tutors help students focus on their essay content while involving them in the learning process by having them reflect on their own work. When tutors read students' essays, they primarily take a holistic approach by first concentrating on thesis development, paragraph structure, overall essay clarity, close reading of the text (if applicable), and then review grammar/syntax/punctuation error patterns. Tutors do not proofread; instead they patiently guide students through the writing process, offering detailed advice and explanations on the essay structure and grammar.

Because students are our priority, we open early in the morning and close late at night. The Writing Center also offers grammar support programs, which aid students in strengthening their grammar skills.

Since the Writing Center is a free and helpful campus resource, it is highly recommended that students visit at least once a week. Please make an appointment.
