# Online Classes

Students who take online classes make a commitment to log on to their classes at least three times per week. Online courses are designed for students who enjoy learning independently and cannot attend on-campus classes on a regular basis, and who are comfortable using a computer. Online courses are not self-paced courses; they follow the semester schedule and online students have deadlines and schedules just like classroom courses. Online classes are academically the same as on-campus classes, and meet the same General Education and Transfer requirements as their on-campus counterparts. To take online classes at ELAC, you must first apply to the college and go through the matriculation process. Online classes follow the same academic calendar as regular classes. This means that they start when the semester starts. Some online classes are short term classes which have their own start dates; please check the schedule of classes on those dates:

<http://www.elac.edu/academics/schedules/index.htm>

The office of Distance Education or the Distance Education Coordinator does not provide:

- Academic Counseling  
<http://www.elac.edu/prospectivestudents/counseling/index.htm>
- Financial Aid Information

- You must have a valid email registered with the campus:

- You must enroll during your appointment date and time.

## DURING ENROLLMENT OF ONLINE CLASSES:

- You must register for classes using the Student Information System (SIS):  
<https://mycollege.laccd.edu>
- If you missed the regular registration period, you must use the SIS to add.  
  - ◊ Only the course instructor can add you to the class

- Information on how to use the SIS to add:  
<http://www.elac.edu/online/OnlineAdd.htm>

## AFTER ENROLLING IN AN ONLINE CLASS:
