

EOPS, C.A.R.E, CAFYES

Will be undergoing an amazing renovation to better serve our ELAC
Student community

From August 8th until 14th

The Office (E1-227) will be closed

This will be a great opportunity to visit other offices on campus and make sure your A+O+C tasks are completed, Financial-aid requirements are met and all *Fall 2017* class schedules are in place.

Please come back to visit the office once reopened on August 15th, 2017
