Fall 2011 Payment Deadline

All students are required to pay their tuition and fees at the time of registration. The International Student Office (ISO) will conduct a fee payment audit on Thursday, October 20, 2011. If you have not paid your fees, you must do so immediately.

Foreign Student Advisor "Hold"

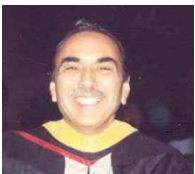

Foreign Student Advisor "hold" is used to stop international students from access to registration and transcript for the following reasons:

- Failure to notify the ISO of your current address, telephone number, and current email address.
- Failure to keep your passport valid for at least six months into the future at all times.
- Failure to complete the minimum number of units per semester required by the USCIS.
- Failure to maintain 2.00 GPA

Students who think they are in one of these categories should make an appointment to speak with the International Student's Advisor. Please call the ISO (323)265-8650, ext 8796 or 5203 to set up an appointment.

Counseling Appointment

All students should make an appointment to speak with a counselor at least one time. Services available include: Educational Plan, General counseling, Graduation, Transfer Plan, Dropping classes, Change of major and assisting on transfer applications. Please call (323) 265-8650, ext 8796 or 5203 or come by during our business hours to set up an

appointment. Please plan ahead, all appointments fill up quickly. Note: In preparing for a study plan for summer and/or Spring 2012 registration, student should see a counselor as soon as possible.

All Travelers

Winter Break begins from Monday, December 19, 2011 to Monday, February 6, 2012. You must bring your current SEVIS I-20 form page 3 to the International Student Office at least one week in advance of your trip to be signed by the International Student Advisor. Otherwise, you are not permitted to leave the country. If you leave the US without having your SEVIS I-20

signed, you will need to go through a long process and also need to pay a fine (\$\$). The process to request for a travel signature requires you to complete an [International Student Services Request Form](#) with your travel time and a copy of the airline ticket. Student who wishes to travel outside the USA will not be eligible for a travel signature if he/she has violated the USCIS. (Ex. Student who did not maintain 12 units, the 2.00 minimum grade point average, or have outstanding fee hold) **Note: We will not grant any travel authorization signatures during the legal holidays and college holidays, so please make plans in advance. For special travel requests you must meet with the International Student Office Staff.**

Fall Graduation Petition Deadline

If you will complete 60 units or more by the end of Fall 2011, you should meet with a counselor to review your graduation eligibility. Graduation petitions are from Tuesday, September 13, 2011 to Friday, December 9, 2011. Don't wait. Most students will be eligible to earn an Associate (2 years degree) before transferring to a four years university. We encourage you to apply for an ELAC degree.

Post Practical Training/Optional Practical Training

1. You must make an appointment with our counselor to see if you qualify to graduate before you can apply for Post Practical Training. Last day to apply is Friday, November 10, 2011 for Fall 2011 graduation.
2. You may go online to obtain form I-765 at <http://uscis.gov>. Once you are in this site, go to Forms and scroll down to [I-765](#) and [I-765 instruction](#). Now you are ready to print this form. Please *do not* complete the online form.
3. Once you have completed the I-765 form, submit your current ELAC I-20 form, two passport photographs, and a check or money order for \$380 made out to the Department of Homeland Security to the International Student Office and make an appointment to see Nancy Wong. This process does not require that you have a job offer before filing your paperwork and the processing time will take approximately 90 days from the application date.
4. Email to [Nancy Wong](#) to set an appointment to apply Post Practical Training.

Note: *You are recommended to continue your medical insurance while working with your practical training. Visit this site for the enrollment process: <http://www.renstudent.com/>.*

Winter and Spring 2012 Registration

Enrollment in Winter 2012 session is optional. No SEVIS fee will be charged for winter session. Winter 2012 – five weeks will be from Tuesday, January 3, 2012 to Friday, February 3, 2012. Spring 2012 will be from Monday, February 6, 2012 to Monday, June 4, 2012. **The Winter and Spring 2012 Registration Appointments will be e-mailed to all students. Registration letters will no longer be mailed out. Do check your Email to make sure you did not miss your registration date.** The class schedule will be available at our school website <http://www.elac.edu/schedules/index.htm>.

Please keep in mind that you *cannot* register for Winter or Spring 2012 if you have not paid your Fall 2011's tuition or if you have any **HOLD**.

Con-current Enrollment at Another Campus

All students who wish to attend another college/university on a part time basis while enrolled at East Los Angeles Community College must first obtain written permission. Please submit this request form [International Student Services Request Form](#) to our office. Once you have completed your registration at another college/university, you are required to show proof of registration to ISO.

Planning to Transfer

All international students have different deadlines to apply as a transfer student. Make sure you check with the Transfer Center (E1-176) for your deadline to apply or visit <http://www.elac.edu/student-services/transfercenter/index.htm> for any event updates. If you are transferring next semester, decided which campus you will attend! You are required to complete a [SEVIS Transfer Out Release Request Form](#) from ISO office or print this form online and bring it to the ISO office with your acceptance letter/email. Once your SEVIS file is transferred to another college/university, ELAC cannot transfer you to a different college.

USCIS –United States Citizenship and Immigration Services

All students are required by USCIS regulation to maintain 12 units with a minimum of 2.00 GPA every semester. NO student is allowed to work off-campus without proper USCIS permission. Anyone who does not comply with the above regulations will be required to submit proper paperwork to the USCIS in order to reinstate their F-1 student status. It is very **important** and required by the USCIS to have your current U.S. Address and email address recorded with the International Student Office. SEVIS brings an enormous change in how compliance with immigration regulations is monitored. Being alert about your responsibilities as an F-1 student will be crucial to maintaining status. We urge everyone to try their best to stay current with the new more restrictive government regulations and policies by checking with the ISO frequently and talking to or emailing the International Student Advisor with your questions. We use our department email to send you notice too, so do check when you see messages coming from this email address: Elac_iso@elac.edu. Don't wait if you have questions, our staff might be able to help you.

International Student Medical Insurance Fee

The International Student Medical Insurance fee will be charged at the time of registration. Students do not have the option of waiving this fee or substituting coverage with other plans. The Medical Insurance is a Blue Cross PPO plan and the contact information is as follows: <http://www.renstudent.com/> Tel: 1-800-537-1777 [Member claim form](#). Contact them if you did not get your insurance card.

Failure to obtain valid travel signature will require you to take a trip downtown to the Federal Building plus pay a \$200 fine.
