The following comments, commendations and recommendations are provided for incorporation in your annual planning. Each recommendation will need to be addressed in your Annual Update Plan (AUP) due at the end of September 2014. To be clear, these recommendations serve as part of our process for continual quality improvement. Typically, recommendations require planning improvements that will be implemented over time. Through collegial dialog on the recommendations, each department should develop a strategy for addressing the recommendations. The program review AUP allows a department to report on its efforts and identify needed resources. The Office of Institutional Effectiveness and the Program Review and Viability Committee are available to assist departments through this process.
