2011-2012 Child Development Grant Program

We are pleased to announce that the California Student Aid Commission is now accepting applications for the 2011-2012 Child Development Grant Program. This Program is designed for students attending California postsecondary educational institutions that intend to teach or supervise in the field of childcare and development in a licensed children’s center in California and are pursuing a teacher, master teacher, site supervisor or program director permit issued by the Commission on Teacher Credentialing.

Each grant may be renewed for a maximum of one academic year provided the recipient maintains financial need, satisfactory academic progress, and continues to pursue an approved course of study leading to a Child Development Permit. Grant recipients must agree to provide one year of service, in a licensed children’s center in California for each year they receive the grant. Grant recipients attending a two-year postsecondary institution are eligible to receive up to $1,000 per academic year and recipients attending a four-year university are eligible to receive up to $2,000 per academic year with a maximum of up to $6,000.

Selecting Applications
The California Student Aid Commission will select Program participants on the basis of their demonstrated financial need and academic achievement, which may include college grade-point average or academic test scores. Students meeting eligibility criteria will be awarded, until funds are depleted. All applicants will be notified of their award status by mail.

Application Deadline
Applications are available at the Financial Aid Office (E1-174) and must be submitted to the Financial Aid Office no later than FRIDAY, JUNE 10, 2011 to ensure that the applications are postmarked by June 15, 2011.

Disbursement of the Award
Selected participants will receive their grant funds (prorated by enrollment status and academic term) at the Financial Aid Office. The California Student Aid Commission will notify each recipient when a payment is processed. Receipt of the grant may affect other financial aid entitlement(s).

Students need to make sure that their FAFSA (Free Application for Federal Student Aid) is processed by MAY 20, 2011 with a valid EFC (Expected Family Contribution) value. They may submit their application as soon as they complete their FAFSA on-line and complete the financial aid application process at the Financial Aid Office.

Any questions please feel free to contact Esther Ramirez at (323) 265-8979.
