2012-2013 Child Development Grant Program.

We are pleased to announce that the California Student Aid Commission is now accepting applications for the 2012-2013 Child Development Grant Program.

This Program is designed for students attending California postsecondary educational institutions, enrolled in at least half-time status, that intend to teach or supervise in the field of childcare and development in a licensed children’s center in California and are pursuing a teacher, master teacher, site supervisor or program director permit issued by the Commission on Teacher Credentialing.

There are two types of applications associated with this program. Applicants who are new to the Child Development Grant Program or who were withdrawn from the 2011-2012 program must complete the New Application. The Renewal Application is available for 2011-2012 academic year participants who are continuing with the program to complete their permit requirements.

Grant recipients must commit to full-time employment in a licensed children’s center in California for a period of one year for each year of benefits received.

Grant recipients attending a two-year postsecondary institution are eligible to receive up to $1,000 per academic year whereas those attending a four-year university are eligible to receive up to $2,000 per academic year.

Selecting Applicants

The California Student Aid Commission will select program participants on the basis of their demonstrated financial need and academic achievement, which may include college grade-point average or academic test scores. Students meeting eligibility criteria will be awarded, until all available funds are depleted. All applicants will be notified of their award status by mail.

Application Deadline

Applications are available at the Financial Aid and Scholarship Office (E1-173) and must be submitted to our office no later than TUESDAY, JUNE 12, 2012 to ensure that the applications are postmarked by Friday, June 15, 2012.

Disbursement of the Award

Selected participants will receive their grant funds (prorated by enrollment status and academic term) at the Financial Aid and Scholarship Office. The California Student Aid Commission will notify each recipient when a payment is processed. Receipt of the grant may affect other financial aid entitlement(s).

Students need to make sure that their FAFSA (Free Application for Federal Student Aid) is processed no later than Friday, MAY 18, 2012 with a valid EFC (Expected Family Contribution) value. They may submit their application as soon as they complete their FAFSA on-line and complete the financial aid application process at the Financial Aid and Scholarship Office.

There are new financial aid regulations impacting the 2012-2013 award year. Students will have to refer to the ELAC website, under Financial Aid News for further information as it is constantly being updated.

Join the American Cancer Society’s Making Strides Against Breast Cancer
a non-competitive walk in the fight against breast cancer

Making Strides Against Breast Cancer is the American Cancer Society’s community walk to raise awareness and funds to fight breast cancer. Across the country, one town at a time, Making Strides has become a powerful force.

Right now, we are looking for Making Strides committee members and team leaders in your area.

Leaders recruit friends, family, neighbors and co-workers to participate with them as a team. Each team will participate in the walk and raise funds for this great cause. There is no registration fee, no minimum donation and all individuals and teams are welcome.

Join Making Strides on:
Sunday, June 10th, 2012
at East LA College
1301 Avenida Cesar Chavez, Monterey Park
Registration at 8:30am; Walk at 9:00am

Since 1993, nearly 6 million walkers across the country have raised more than $400 million through Making Strides events to help fight breast cancer. In 2009 alone, nearly 700,000 walkers across the country collected $60 million to help fight breast cancer.

But Making Strides is more than just the name of a walk — it describes the amazing progress we’re making together to defeat this disease. With your help, we can fund more critical research and support more breast cancer patients with free round the clock services, information and support at the American Cancer Society.

Take the first step toward a future without breast cancer. To be a part of Making Strides Against Breast Cancer, contact: Jesika Go at 310.738.2801 or email at MPBreastCancerWalk@earthlink.net
