INTERNAL REVENUE SERVICE
Dear ELAC Faculty Members:

The Los Angeles Community College District’s Project MATCH (Mentors Act To Change History) faculty internship program is looking for full time and part-time faculty to mentor the 2012 interns. This program began in 1991 in an effort to recruit classroom faculty, librarian, and counseling interns and provide them with an opportunity to learn and practice skills appropriate for working with community college students. Project MATCH interns are fully qualified in their respective disciplines but have no prior college teaching experience.

As a mentor, you will receive an $800 stipend for guiding your intern as he or she explores a community college career. Mentors are needed for day and evening schedules (Monday – Friday). During the fall semester, each intern will participate in one of his or her mentor’s courses.

Project MATCH has proven to be a very rewarding experience for both mentors and interns. Over the past 20 years, many Project MATCH interns have become successful instructors, counselors, and librarians within the LACCD. If you are interested in mentoring an intern, please contact the Project MATCH Coordinator, Joanna Zimring Towne zimringj@piercecollege.edu for the application forms. The ELAC contact is Gabriella Lopez, Librarian 323-357-6214 lpezgm@elac.edu.

The deadline for submission is Friday, April 20th.

FINAL RECORD 13-13; 3rd Place in the South Coast Conference

Huskies Balance Books With Win Over Compton

The final South Coast Conference game also proved to be the final game of the season for the much improved Huskies. Finishing with a 13-13 record, ELAC posted a six game turnaround from last year’s 10 win season. Three more wins and three less losses translated into a heart breaking 3rd place finish and no placement in the state tournament. The bright spot however is that seven freshmen will return next year and the disappointment of not making playoffs should be more than enough fuel to feed their competitive fire.

So far as the final game was concerned, the Huskies came out and poured in 41 first half points vs. Compton College. With defense and great balance on offense, ELAC dominated the first session holding Compton to 27 points. With a 14 point cushion and the excitement of the 2012 Sophomore night, the Huskies were 20 minutes away from possibly qualifying for the post season tournament. Although they had lost to Pasadena on Wednesday, ELAC still had hopes if Long Beach City could defeat Harbor. Coach Rivera was not totally pleased with the first half effort and reminded his team to play more efficiently in the second half. “We still have a chance at the post season. Don’t worry about that. Play this game and let see what happens.” Harbor, however, defeated LB City by one, ending ELAC’s playoff hopes.

In the second half, Compton did make a furious run at the Huskies. Compton’s guards hit 6 three pointers in this half as opposed to the pair they made in the first. They were able to cut the lead to four but Rivera’s “one-two punch” proved too much for the Tartars. Rafael Morelos stepped up with a game high 23 points. Deon Geary nearly matched Morelos and poured in 21. With those points, Geary ended his Husky career with 511 points and an average of 19.7 pts per game. The super sophomores also had great support from their teammates: Elsom Vessel scored 14 points and did a fine job defensively. Fernie Morelos added 12 hard nosed points, most of which came off of drives to the bucket. Zack Ward scored a field goal and a three pointer for 5 points in the first half. Albert Chavez added another 5 in the second half, while Harris Javier and Gabe Gamboa contributed 5 each.

Javier, however, was a great distributor, handing out a career high 8 assists. Next year should be a banner season.

ALL SOUTH COAST CONFERENCE TEAM SELECTED

On Sunday, February 19th, the South Coast Conference, North Division coaches held their annual all conference selection meeting. Two Huskies were honored by the opposing coaches. Deon Geary, the second leading scorer in the South Coast Conference, (511 points) earned first team honors. His 19.7 average and, team leading 72 assists, won him the respect and recognition of the SCC coaches. Deon had a truly memorable season and will be a hard player to replace next year. Rafael Morelos was also recognized by the SCC coaches. Morelos earned second team honors and is one of a handful of Huskies to ever make the all conference team two years in a row. The last Husky to accomplish this was assistant coach Danny Rosales. Rosales is Rafael’s position coach and Morelos must have been listening. The SCC coaches were amazed at Morelos’ excellent footwork and post moves. Rafael ended this season with 358 points for an average of 13.8 pts per game. He also led the Huskies in rebounding pulling down 181 boards. Many four year colleges are excited about Rafael possibly playing for them. Cal State Monterey Bay, Vanguard and Holy Names are showing tremendous interest in him while many out of state university are also looking to recruit the 6’5” power forward. The future looks bright for ELAC’s super sophomores.

**New and Discontinued Databases**

Because of the State-wide subscription to a general article database funded by the CCC System Office, we are fortunate to add a suite of resources from EBSCO including:

<th>Business Source Elite</th>
<th>Health Source Nursing Edition</th>

<td>and several others of less note.</td>
</tr>
</tbody>
</table>

We subscribed to a package deal from Gale that enabled us to add 2 databases, Global Issues in Context and U.S. History in Context, at less cost than we used to pay a la carte for our previous subscriptions.

By participating in NewsBank’s study of community college student usage of their product, we gain the use of the Access World News Research database for up to a year.

We have maintained our subscriptions to online reference works such as Grove’s Dictionaries of Art and of Music by applying the departments’ book funds to these ebooks.

Databases discontinued from spring 2012 onwards are eBrary, Small Business Center and History Study Center. Databases to be dropped from summer 2012 on are Job & Career Accelerator, LearningExpress, LexisNexis Academic and most of ProQuest.

For the foreseeable future, discipline specific DBs will need to be funded by departments. We now maintain two DBs funded by departmental grants: ARTstor and WorldTrade Ref.

We welcome your feedback.
