Invitation for President Farley Herzek to visit Classes

President Farley Herzek would like to make monthly visits to various classes during the semester. An invitation to visit your class would be appreciated, when schedules permit it. The purpose of this visit would be to provide an opportunity for the students to discuss campus developments, history and other issues that maybe of interest to them as well as provide an opportunity for brief questions and answers. A maximum of 30 minutes time is anticipated to be sufficient.

Please contact the President’s Office at ext. 8662, if you wish to schedule an appointment.

In This Issue:
➢ How to be safe on campus
➢ Q&A: How to get assistance on campus

Safety Tips for Campus:
1. Stay in well-lighted areas as much as possible when walking at night. Avoid walking alone or with your hands full.
2. Walk confidently, directly and at a steady pace on the side of the street facing traffic.
3. Walk close to the curb. Avoid doorways, bushes and alleys where attackers can hide.
4. If a car appears to be following you, turn and walk in the opposite direction or walk on the other side of the street.
5. If you are in danger, scream and run, or yell "fire." Run toward lights or people.
6. Always lock car doors after entering or leaving your car. Don't leave valuables in plain view.
7. Have your car keys in your hand and check the back seat area before entering your car.
8. If you think you are being followed, drive to a public place or to a police or sheriff's station.
9. Your best defense is to be prepared -- know your options ahead of time. Your safety may depend upon your ability to stay cool and calm.
10. Pay attention to your intuition and instinct. If something just "feels wrong," it usually is.
