Student Speaker Auditions
CLASS OF 2013

Date: May 2nd
Time: 12:15-1:00PM

Student Speaker auditions for graduation will be held on May 2nd in G1-301F from 12:15-1:00PM.

Please prepare a three minute original speech based on this year’s graduation theme and have 5 copies available.

“Empowering successful minds for the future.”
CAP AND GOWN RENTALS
For Faculty and Staff

If you want to RENT your cap and gown, please go to the bookstore to fill out the rental form.

Rentals are $15.00. We MUST have your form and money by Friday May 3rd, in order to guarantee your correct hood colors and your cap and gown rental.

After the 3rd, there are no guarantees on your colors. But we will be able to provide you with a rental if ordered before May 24th. After that we will not be able to fill your order.

If you have any questions, you can call the bookstore at extension 8720 or 8722.

R.S.V.P. by Friday, May 9, 2013 as space is limited.
ELAC Places in Math Competition

A team of MESA students from East Los Angeles College came in second overall in the program’s annual statewide Math Challenge.

Mathematics, Engineering, Science Achievement (MESA) conducted the 60-minute test that is modeled after the American Mathematical Association of Two-Year College’s Student Math League test. Almost 190 MESA students in teams of five or more participated from 21 MESA community college campuses.

The ELAC MESA center will receive a plaque for the achievement. The goal is to expand the contest to more MESA community college centers each year and build a healthy level of competition between campuses to maintain or gain the title.

“MESA developed the Math Challenge to help students improve their problem solving skills and learn to alleviate test preparation stress,” said Juanita Muniz-Torres, MESA Director of Programs. “It gives them the confidence to perform at their best in future exams.”

MESA is an award-winning academic enrichment program that provides educationally disadvantaged students with the tools to earn bachelor’s degrees in math-based fields. With tutoring, mentoring, study sessions, transfer counseling and study centers, MESA provides an environment that allows students to succeed and navigate the transfer system more easily.

MESA has programs in 38 community colleges. Ninety-seven percent of MESA students who transfer to four-year colleges attend as math-based majors.

For more information about MESA visit www.mesa.ucop.edu.
For more information about the ELAC team, contact ELAC MESA Director, Armando Rivera-Figueroa at riveraam@elac.edu or 323-265-3722.

CHECK OUT OUR REVAMPED LIBRARY WORKSHOPS
Main Campus Library

View the Full Schedule on the Library Home Page
<library.elac.edu>

Our 60-minute workshops (limited to 20 students) are held in library classroom 103.

Students must register for workshops online at least one day in advance at <library.elac.edu/enroll>.

Workshop Descriptions

**Know Your Library**: A scavenger hunt guides student to library services and illustrates the library’s layout and the organization of materials.

**Research Boot Camp**: It’s time to get students’ research skills in shape! Students gain useful strategies on how to read and understand an assignment prompt, as well as identify the right sources needed to complete the assignment. In other words, we’ll be flexing students’ research muscles!

**Got Books**: Yes, the library actually has books and you can find them! Through hands-on exploration students learn the organization of library materials and how to use the library catalog to find books and DVDs.

**Got Articles**: Research is all about articles and guess what? The library has everything students need to find all kinds of articles. Students are introduced to our article databases and practice finding various types of articles.

**Smart Google Searching**: Do you control Google or does Google control you? Google’s awesome, but like all superheroes you must learn to harness this powerful information tool! Learn helpful tips to get better and credible websites.

**Cite Right**: You’ve found information, but now how do you cite it? How do you know your paper is plagiarism free? Students are introduced to the concept of citation using MLA, review examples of plagiarism, and create an MLA citation.

**Go Digital with E-Books**: Everybody’s going digital and you can too! Want to learn how to access ELAC’s electronic book collection like a pro? Then come join us as we explore our ebook catalog, as well as Google books.

**One-on-One Research Help**: Encourage students struggling with your research project to attend! Limited to 10 students, in this workshop, a librarian will provide individualized help. Students need an assignment prompt or instructions to be admitted.
