The ELAC Budget Committee invites you to attend the

College Forum on Budget Priorities for FY 2013-2014

Monday, May 20, 2013
1:30-3:00 p.m.
Auditorium Foyer

Thanks to voter approval of Proposition 30, the Education Protection Act, in November 2012, East Los Angeles College avoided a substantial reduction in classes and services this year and next. Currently, the college is projected to carry over an ending balance of approximately $11.3 million when we start the new budget year on July 1. This ending balance includes the use of $7.4 million of ELAC’s reserves which were needed to start FY 2012-2013. The balance, added to an allocation of $83.8 million, would boost our beginning balance for FY 2013-2014 to an estimated $95.1 million.

➢ Come hear the college leadership explain the goals and priorities for the 2013-14 budget year:

➢ What adjustments departments are likely to see in their budgets?

➢ What new initiatives are planned to increase student success?

➢ What challenges remain for 2013-14 and beyond?

**Workshop Descriptions**

**Know Your Library:** A scavenger hunt guides student to library services and illustrates the library’s layout and the organization of materials.

**Research Boot Camp:** It’s time to get students’ research skills in shape! Students gain useful strategies on how to read and understand an assignment prompt, as well as identify the right sources needed to complete the assignment. In other words, we’ll be flexing students’ research muscles!

**Got Books:** Yes, the library actually has books and you can find them! Through hands-on exploration students learn the organization of library materials and how to use the library catalog to find books and DVDs.

**Got Articles:** Research is all about articles and guess what? The library has everything students need to find all kinds of articles. Students are introduced to our article databases and practice finding various types of articles.

**Smart Google Searching:** Do you control Google or does Google control you? Google’s awesome, but like all superheroes you must learn to harness this powerful information tool! Learn helpful tips to get better and credible websites.

**Cite Right:** You’ve found information, but now how do you cite it? How do you know your paper is plagiarism free? Students are introduced to the concept of citation using MLA, review examples of plagiarism, and create an MLA citation.

**Go Digital with E-Books:** Everybody’s going digital and you can too! Want to learn how to access ELAC’s electronic book collection like a pro? Then come join us as we explore our ebook catalog, as well as Google books.

**One-on-One Research Help:** Encourage students struggling with your research project to attend! Limited to 10 students, in this workshop, a librarian will provide individualized help. Students need an assignment prompt or instructions to be admitted.
