Three new shows open this fall!

**When You Sleep:**
*A Survey of Shizu Saldamando*

Sep. 10 - Dec. 7, 2013

VPAM is pleased to present the first solo museum exhibition of visual artist Shizu Saldamando. Saldamando grew up in the Bay Area and relocated to Southern California to complete her BFA at UCLA and MFA at Cal Arts.

The artist finds inspiration in Los Angeles and its diverse subcultures. In her meticulously rendered drawings, paintings and collages, Saldamando depicts her friends at concerts, parties, and in other social settings. Saldamando often chooses to create portraits of her close friends and those whom she admires for their nonconformity. A 64-page, full-color catalog will accompany the show.

**La Luz de Germs:**
*Jaime Zacarias*

Sep. 10 - Dec. 7, 2013

South Los Angeles native Jaime Zacarias, aka GERMS, is featured in the HOY SPACE, a gallery that presents contemporary artists whose practices extend across various media, and who address current and active topics in their work.

GERMS is recognized as a graffiti-inspired artist who channels the spirit of his surrealistic predecessors by using grotesque iconography and amoeba-like forms; his work also makes reference to Chicano culture and pop imagery.

*La Luz de Germs* is a new, site-specific installation in the HOY SPACE.

**Santa Ana Condition:**
*John Valadez*

Sep. 21 - Dec. 7, 2013

VPAM is the only Los Angeles venue to present the highly-acclaimed 2012 retrospective, *Santa Ana Condition: John Valadez.* Valadez is an alumnus of East Los Angeles College, and is one of the West Coast’s most talented and admired living artists.

This exhibition was organized by Kathryn Kanjo, Chief Curator of the Museum of Contemporary Art, San Diego, for the MCA, San Diego. A full-color, 112-page catalog accompanies the show.

Get Research Ready!

Know Your Library: A scavenger hunt guides student to library services and illustrates the library’s layout and the organization of materials.

Research Boot Camp: It’s time to get your research skills in shape! Students gain useful strategies on how to read and understand an assignment prompt, as well as identify the right sources needed to complete the assignment. In other words, we’ll be flexing our research muscles and working hard.

Got Books: Yes, the library actually has books and you can find them! Through hands-on exploration students learn the organization of library materials and how to use the library catalog to find books and DVDs.

Got Articles: Research is all about articles and guess what? The library has everything you need to find all kinds of articles. Students are introduced to our article databases and practice finding various types of articles.

Smart Google Searching: Do you control Google or does Google control you? Google’s awesome, but like all superheroes you must learn to harness this powerful information tool! Learn helpful tips to get better and credible websites.

Cite Right: You’ve found information, but now how do you cite it? How do you know your paper is plagiarism free? Students are introduced to the concept of citation using MLA, review examples of plagiarism, and create an MLA citation.

Go Digital with E-Books: Everybody’s going digital and you can too! Want to learn how to access ELAC’s electronic book collection like a pro? Then come join us as we explore our ebook catalog, as well as Google books.

*One on One Help: Students must come with a relevant research assignment in hand to receive help from a librarian. Space is limited to 10 students per session. Students without an assignment will be asked to sign up for another workshop.
