ELAC Speech Team Wins State Championship Tournament

On Sunday April 15, 2015 the East Los Angeles College (ELAC) Speech Team won 1st place in Team Sweepstakes in its division at the California Community College Forensics Association State Championship Tournament, ELAC’s most successful state championship tournament in its history.

Team also made history by bringing home four state championships in four separate individual events; Duo Interpretation, Dramatic Interpretation, Program Oral Interpretation and Poetry Interpretation.

Chloe Romero lead the team by winning Gold in Dramatic Interpretation, Gold in Duo Interpretation with her duo partner Lilliana Dung, Silver in Program Oral Interpretation and Bronze in Prose Interpretation. Speech Team president Israel Beltran won Gold in Program Oral Interpretation, Bronze in Poetry Interpretation and Bronze in Duo Interpretation with his duo partner Gordon Ip. Esteban Terrazas won Gold in Poetry Interpretation and Bronze in Duo Interpretation with his duo partner Steven Fuel. Gordon Ip won Silver in Program Oral Interpretation, Bronze in Poetry Interpretation and Bronze in Duo Interpretation with his duo partner Israel Beltran. Liliana Dung won Gold in Duo Interpretation with her duo partner Chloe Romero. Steven Fuel won Bronze in Duo Interpretation with his duo partner Esteban Terrazas. The team of Sam Aguirre and Areli Vasquez won Silver in Duo Interpretation. The team of Thomas Martinez and Justyne Gutierrez won Bronze in Duo Interpretation. The ELAC team’s combined total points were enough to win first place team sweepstakes in our division. Edging out powerhouse teams such as San Francisco City College and Santa Rosa College for the State Title.

It should be noted that of the nine duo teams that made it to finals from the preliminary pool, five represented East Los Angeles College. This means that over half of the finalist duo teams were from ELAC. This type of overwhelming success from one school in a single event is extremely rare in competitive forensics.

The president of the California Community College Forensics Association Lucas Ochoa said the following regarding the ELAC Speech Team’s performance at the 2015 tournament. “For me, the CCCFA Championship represents the best of California forensics. What a wonderful opportunity for students to celebrate their voice. Congratulations to East Los Angeles and their State Championship. Ryan Smith, David Hale, and J. Edward Stevenson should be commended for their hard work. East Los Angeles can take pride in knowing they have one of the most talented programs in the country. I look forward to seeing them compete at the National Phi Rho Pi tournament.”

The East Los Angeles College Speech Team is currently preparing for the Phi Rho Pi national championship tournament to be held in Cleveland Ohio in early April. Given the success at the state tournament, the team is working extremely hard in preparation for the National Championship Tournament.

Ryan L. Smith and J. Edward Stevenson direct the ELAC speech team. Smith and Stevenson are assisted by coaches David Hale, Yaw Kyeremateng, Jasmine McLeod as well as student coaches Raul Herrera and Nicholas Montero. Please contact Ryan and J. Edward if you are interested in joining the ELAC Speech Team at smithrl3@elac.edu or stevensje@elac.edu.

Project MATCH Mentor Applications

LACCD internship program, Project MATCH (Mentors Act to Change History) is looking for full time or part-time faculty members to mentor the 2015 Project MATCH interns. Project MATCH (Mentors Act to Change History) began in 1991 in an effort to recruit classroom faculty, librarians, and counseling interns and provide them with an opportunity to learn and practice skills appropriate for working with community college students.

As a mentor, you will receive an $800 stipend for guiding your intern as he or she explores a community college career. Mentors are needed for day and evening schedules (Monday – Friday).
During the fall semester, each intern will participate in one of his or her mentor’s three-unit courses (or the equivalent weekly time commitment -3 hours a week- for counseling and library science interns).

Mentor responsibilities include mentor orientation on May 28; meeting with your intern at least once prior to the fall semester; providing your intern with hands-on experience covering all aspects of teaching, counseling or library work; assisting your intern in preparation of lesson plans, developing classroom activities, integrating your intern in primary activities (classroom teaching, counseling sessions, library duties); providing feedback to your intern; orienting your intern to your campus and inviting him or her to department, committee, or senate meetings.

If you are interested in mentoring an intern, please complete the mentor application form by Friday, April 27. You can contact Gabriella Lopez, librarian, Project MATCH Steering Committee member (lopezgm@elac.edu) if you need an application form.
