WORKSHOP DESCRIPTIONS

FIND BOOKS!
Yes, the library actually has books and you can find them! Through hands-on exploration students learn the organization of library materials and how to use the library catalog to find books and DVDs.

FIND ARTICLES!
Research is all about articles and the library has everything you need to find all kinds of articles! Students are introduced to our article databases and practice finding various types of articles.

GO DIGITAL WITH EBOOKS!
Everybody’s going digital and you can too! Want to learn how to access ELAC’s electronic book collection like a pro? Then come join us as we explore our e-book catalog, as well as Google Books & Project Gutenberg.

CITE RIGHT!
You’ve found information, but how do you cite it? How do you know your paper is plagiarism free? Students are introduced to the concept of citation using MLA style, review examples of plagiarism, and practice creating MLA citations.
