Please join us for this exhibition showcasing costumes and CTE technology from the recent production of Molière's *Tartuffe* at East Los Angeles College. The costumes were produced by the ELAC Theatre Arts Department by students and faculty. The exhibition highlights finely crafted and specialized elements of stagecraft produced on campus with CTE technology including the department's fabric printer and CNC router that were used to recreate costumes and scenery from the era. The event will include refreshments with ELAC Theatre Arts Department Chair, Michael Kasnetsis, the costume designer, Jessica Hansen, and the set designer, Lisa Hashimoto Stone, in attendance to answer any questions.
