As you may know, the ELAC Foundation has been challenged to raise almost 1 million dollars within the next 3 years. There are several strategies that we are executing, but we need your help. We at ELAC want to re-connect and re-engage our former students. All we ask is that you forward your database of Alumnae, and we’ll do the rest…no more no less.

We hope that you are able to assist in this challenging endeavor as $1 million dollars will go a long way for our students.

For more information or to submit databases contact: Heidy Peralta at (323) 260-8901.
