THE FACULTY / STUDENT MENTORING PROGRAM

The Faculty/Student Mentoring Program is seeking volunteers to become mentors. A mentor serves as a role model, guide, and resource person for one or more ELAC students. You can identify one or more students from your own discipline, or you can review the applications of students who have chosen to participate in the program. You will be able to earn up to 17 FLEX Hours per academic year for documented meetings with your mentee. We all have the power to make a difference in our students’ lives. Please contact me if you are interested.

Dr. Linda Elias, EXT. 8862
eliasla@elac.edu
The main campus library has added 65 additional workshops to our original schedule. Students can now receive individual research help by attending the new “Library Orientation” workshop.

Unanticipated limitations in our temporary facility prevent us from scheduling orientations for individual classes. As an alternative, students can attend the “Library Orientation” workshop outside of scheduled class time. In addition to learning about the resources and services available in the library, students will learn how to find books and articles in our library catalogs and databases.

Students need to register in the library at least one day before the workshop. Upon completion of the workshop, students will be given an attendance verification form.

Below is the schedule of workshops through the end of October. You can link to the complete fall 2009 workshop schedule through the Instructional Services tab on the library homepage: http://www.elac.edu/departments/library.

No changes have been made to the South Gate Educational Center Library workshop schedule. For more information contact Amy Guy at (323) 267-3775 or by email at guyal@elac.edu.
