Relocation of Reserved Faculty and Staff Parking in Parking Structure 3

In an attempt to improve our traffic flow in Parking Structure 3 and upon the recommendation of parking lot consultants FEHR & PEERS, RESERVED FACULTY AND STAFF PARKING has been relocated within the structure to:

- All of Level 1 (except Accessible Parking)
- Western up ramp from Cesar Chavez –Sections 1D,2D,2C,3C
- Western up ramp accessed from north side of the parking structure- Section 1D
- Second Floor – Sections 2C, 2D
- Up ramp from Level 2 to Level 3 – Sections 2D,2C,3C,3D

All parking spots are continuous and adjacent. All reserved spots will be marked “FACULTY & STAFF ONLY”. Reserved Faculty and Staff parking will no longer be available on the Third Floor. This change was discussed and approved at the Facilities Planning Subcommittee meeting on 8/19/10.
The golf classic is the second of our two annual major fundraising events. Through the generous support of the ELAC family and friends, we offered over $175,000 worth of scholarships to deserving ELAC students the last academic year.

Transferring from…
ELAC to UC Berkeley

Initially when I was an ELAC student, I was uncertain about a lot of things. I did not know what school I wanted to transfer to and what major I wanted to pursue. I did not know which school would be daring enough to accept me, and above all, what are the ways for me to be able to afford college. Fortunately, I had a lot of help, and much of that came from teachers, the Honors Program, and the Transfer Center at East Los Angeles College. The Transfer Center offered me lots of resources, including personal statement revisions, campus tours, and scholarship application workshops in addition to introducing me to various programs such as Experience at UCLA as well as the Transfer Alliance Project Summer Research at UC Berkeley. I later realized that participating in the summer programs really gave me an edge when I applied for scholarships and admissions to universities.

To sum it up: Ask Ask Ask! Lots of people want to help; so go to your professors, Mrs. Spangler of the Honors Program, or the Transfer Center and find out about TAG, TAP, CCCP, Research Conference at UCI. Some of you might believe that you do not have time for this, but I strongly advise that you make the time as it will be very worthwhile!!

There are lots of scholarship opportunities for students of different majors, race, interests, backgrounds, residency status, AB540. Check out Jack Kent Cooke Foundation at jkcf.org as well as alumni associations scholarships of different universities. Visit the schools! A small school like Pomona College or Whittier College will give you personal attention while a big school like UC Berkeley will not know you by name but maybe as a number. However, if your personality is “I don’t need you to hold my hand” then Cal might be a better option because there are so many more opportunities with a bigger campus because they have more faculties and a wider range of fields. Do not limit yourself! Remember, START AT ELAC… GO ANYWHERE

Jesus Escobar
On Transferring to USC

Growing up I wasn’t too concerned with academia. Upon receiving my GED at a local adult school I was too caught up hanging out on the street all day I decided my days of school were over. Soon, I turned nineteen years old, had the stigma of a felony on my record, and was facing an unpromising future. After countless times of being denied a job school was one of the few good options I had left so I decided to give it another chance and enrolled at ELAC.

Thoughts about transferring to USC first came up while I was enrolled in an Intro to Soc course. The professor, an avid educational and political activist, always stressed the importance of a higher education and pushed his students beyond their boundaries prodding us to question traditional beliefs, and to explore different topics and point of views. He brought much awareness to the classroom, and taught students to do their best and seek enrollment in prestigious universities, to be open to change, and how to begin making a difference. My experience at SC so far has been challenging, but not nearly as it is rewarding. A few years ago I wouldn’t have never guessed I’d be attending one of the most renowned schools in the country. Now, I find myself studying with and learning from some of the world’s most renowned researchers and experts in subject areas that captivate my imagination. ELAC made it happen for me and I’m sure it can happen for you too.

ACADEMIC SENATE FACULTY DUES

Pay Academic Senate on opening day
AND delete one more thing from your busy to-do list.

Your tax-deductible contribution supports our students through scholarship awards and helps to cover expenses for faculty-related activities.

- The Scholarship Fund is utilized entirely for student/departmental scholarships and Valedictorian and Salutatorian graduates. Due to your generous support, the Senate awarded over $5,000 in scholarships at the 2009-10 Scholarship Awards Banquet. Our goal is to give a larger amount this year.

- The Faculty Fund allows us to co-sponsor with the Foundation the scholarship dinner for our students and fund luncheons and other activities for faculty planning meetings (graduation, opening day, etc.).

Choose from three convenient ways to pay your dues:

- IN PERSON OPENING DAY. We will have a table set up at opening day to collect dues.
- By CHECK. Send the check, payable to: ELAC FACULTY, and this completed form to Senate treasurer, Veronica Jaramillo (Chemistry), via campus mail.
- By CREDIT CARD. Just take this completed form to the window in the fiscal office and indicate that you are paying faculty dues.

Although faculty dues are only $30, you may choose to give more! (This year, the Academic Senate may vote to raise our annual minimum dues from $30 to $50 to ensure that we have sufficient funds for scholarships, so you may want to adjust your donation accordingly.)

Indicate the allocation of your dues:

$________ to Scholarship Fund #24350
$________ to Faculty Fund #25290
$________ =Total amount of dues

Faculty name __________________________________________________________
Department _____________________________ EXT.__________________

The Academic Senate AND our students appreciate your support.
