COMMENTS FROM PREVIOUS PARTICIPANTS

“Thank you for a once-in-a-lifetime opportunity... In one month’s time, we saw a great majority of the important sights of Paris. It was incredible!”

“A wonderful experience! I highly recommend the program. Something for everyone.”

“Getting out into the neighborhoods helps a lot after the lectures. It makes Paris history come alive.”

“C’est la cinquièm e fois que je suis à Paris et c’est la meilleure. Le programme est merveilleux.”

“This was a very worthwhile experience. I feel that I know my way around Paris and have learned about the history and culture. When I added up all that was included in the price—room, breakfast, tours, metro tickets, etc.—my reaction was ‘WOW! Best bang for the bucks!’ It was great!”

“The major strength of the program was the clear desire of the faculty to make the program enjoyable, comprehensive, and a level above what one would expect from a more commercial venture. The residence and Institute were excellent choices, both relatively small and personal.”

Los Angeles Valley College, East Los Angeles, College, and the European Studies Association [ESA] invite you to participate in an exceptional educational experience: **Summer Study in Paris 2010**.

Since the Middle Ages, Paris has drawn students from around the world for university studies and for the experience of its cosmopolitan lifestyle. Celebrating our thirty-second anniversary, we have the staff, the background and the willingness to make your month in Paris worthy of one of the world’s great capital cities. In addition to classes, you will have the opportunity to improve your knowledge of French culture through our special civilization course. This course includes visits to the Louvre, the Petit Palais and historic neighborhoods, such as the Marais. On weekends we will also visit the castle of Pierrefonds, the charming city of Colmar, picturesque Riquewihr, and the historic city of Rouen. We won’t neglect daily life in Paris either. In addition to a complete orientation program, we offer visits to our historic neighborhood, St. Germain des Prés and Paris’ only organic market. Our program is varied and extensive; in fact, the problem may be deciding which courses and activities to choose!

---

**PROGRAM CHOICES**

**ESA offers you two program choices:**

An extensive French language program including 15 hours of French class per week at the Institut Catholique de Paris and a French Civilization course.

**OR**

A Survival French 1, 2 or 3 Language Program with thirty hours of basic language training during the month, and a French Civilization course taught by ESA staff. All the fascinating civilization activities and lectures are included. We recommend this choice for those with no background in French. **SEE ACADEMIC CREDITS BELOW.**

---

**The Institut Catholique de Paris**

The Institut Catholique de Paris, a private French university of international reputation, will provide your French language instruction. Universities world-wide recognize and regularly grant credit for its excellent language courses. The Institut is located in the St. Germain des Prés area in central Paris, very near our dorm sites. There you will meet students from around the world, who, like you, have come to Paris to take advantage of the Institut’s fine teachers, up-to-date materials, and small classes. Like many private universities in the US, the Institut has a religious affiliation, but instruction is non-sectarian. ESA, the largest group at the Institut summer session, will handle pre-enrollment formalities and help you prepare for a placement test which will determine which course level is appropriate for you.

**Institut Catholique Courses**

*(highly recommended for intermediate and advanced students)*

**I. French language courses:**

- *elementary to advanced (French 1 through 6)*
- 15 hours per week / 5 semester units

These classes offer high quality language instruction in conversation, grammar, culture and reading. Classes average 20-25 students and use up-to-date materials.

---

* Depending on travel dates and airline.
Check with ESA for current fares.
### SURVIVAL FRENCH LANGUAGE COURSE

This ESA course includes the basic elementary French you’ll want to speak with storekeepers, café personnel and others in order to feel at ease in the Parisian environment as well as an introduction to French life—music, food, fashion, etc.. Thirty hours of instruction.

*All ESA participants may attend the following courses according to your interests:*

#### ESA CULTURE AND CIVILIZATION COURSES

ESA has designed the following courses to help you make the most of your time in Paris. ESA students are welcome to participate in all activities. (Because of the numerous activities in the program, there may be some course/activity conflicts.) There is no additional charge for the following:

**French Civilization—Origins to the Present**

An historical survey of the relationship between French political life, social structure, art, architecture and urbanism in the Middle Ages, Renaissance, 17th Century, Enlightenment, Revolution and modern period. Special emphasis on Paris as the center of French civilization. Approximately 12 hours of lecture plus guided visits in and around Paris. See calendar for list of visits. *YOU PARIS AGENDA*
PROGRAM FACULTY
The program is led by Prof. Dominique Merrill of Los Angeles Valley College and Prof. Rebecca Ebin of East Los Angeles College. A native of Versailles, Prof. Merrill studied at UCLA and has taught at LA Valley and Pierce Colleges for over 25 years. She has been department chair and leads many activities at LA Valley. This will be Prof. Merrill’s sixth summer program to France. She has also taught French to several prominent Hollywood actors and musical artists. Prof. Ebin has taught French at private schools, West Los Angeles College, El Camino College, and East Los Angeles College for the past four years and has led the East LA program to Paris twice before. Other faculty participating in this program include Dr. Terri Nelson of CSU, San Bernardino, Dr. Dominique van Hooff of San Jose State, Prof. Vincent Morrissette of Sacred Heart University, Dr. Yolanda Patterson of CSU, East Bay, and Dr. Tom Blair of City College of San Francisco.

ACCOMMODATIONS

Dorm:
Students stay in one of several well-located dorms in the St. Germain des Prés area of Paris. Each dorm has comfortable public areas—lounge, TV room, student kitchen, library, etc. To suit your tastes, each dorm provides either daily breakfast and dinner or breakfast only. More detailed descriptions will be sent on enrollment so that you may select the dorm you prefer—apply early for maximum choice. Singles are available at a supplement.

Other Lodgings:
A limited number of accommodations with French families are available. Hotel rooms and apartments may also be reserved at an extra charge. Please request further information.

MEALS
ESA helps students suit their eating tastes. Continental breakfast is provided at the dorm or with the family. Week night dinners are also provided in one dorm. You may also take advantage of the dorm kitchen. We have published in our student guide, Paris pratique, restaurants we recommend.

TRANSPORTATION
ESA has arranged a group flight on Lufthansa Airlines to Paris. Students taking the designated flights receive transportation to the dorm center at no charge. Students may choose to make other arrangements, but they are then responsible for finding transportation to the dorm.

ACADEMIC CREDIT
According to your background and program choice, you may choose from a range of courses. LA Valley College students may earn up to 8 units of credit by selecting from French 1 through 6 in conjunction with a French 10 civilization course OR French 21, 22 or 8 for Survival French along with French 10. East LA College students may earn up to 8 units, selecting from French 1 through 5, 10 and other possible options depending on background in French. In either College, final course selection will be determined after consulting with the faculty leader.

APPLICATION AND PAYMENT
ESA encourages early application as the number of places in the program is limited to about 75 participants. In addition, early application will better permit you to plan for the trip. All applications must be received by May 25, 2010. Payments may be made by check, money order or credit card [VISA, MC or Amex]. Students who apply and pay all fees by March 1, 2010, are entitled to a 2% early payment reduction. To apply, complete the application section below and return it with your deposit check of $300 payable to ESA, 424 Dorado Terrace, SF, CA 94112. The balance of the fee is due April 1, 2010. Students applying after April 1, should check with ESA to set up a payment schedule. Participants who pay fees less than one month before the program’s opening date will be assessed a late fee of $250; any payment made after May 25 must be made by cashier’s check, travelers check or credit card—no personal checks. All prices reflect exchange rates in effect at the time of publication (Sept. 2009) and are subject to change.

MEMBERSHIP ELIGIBILITY
All persons interested in participating in a study program are invited to enroll with ESA. Minimum age is 17. ESA does not discriminate on the basis of race, creed, color, national origin, age or sex in any of its practices. The ESA program is designed for people without mobility impairment because of the restrictions placed upon us by the foreign locale.
