Rebecca majored in chemistry and biology while attending ELAC on the way to her life-long goal to become a doctor. She continued on to UCLA, graduating with her BS degree in molecular and cell developmental biology. She was accepted to the UCLA Charles Drew Medical Program and has focused her career goal on community medicine specializing in women's health. While at ELAC, she served as ASO President and credits learning leadership skills as an important asset for succeeding in medical school.

“Many ELAC professors and activities convinced me that I could go into medicine. Dr. Olsen and Dr. Rivera inspired me to continue studying. I served two ME-SA-sponsored summer research internships at California State University, Fullerton, and spent six weeks at the UCLA Summer Medical and Dental Education Program. I not only learned how to study, but also realized I would be able to transfer to a university. I presented a research paper at the American Chemical Society’s national conference in Salt Lake City—again as a MESA student. Not only did ELAC nurture my academic skills, but my experience there gave me a passion for giving back to my community.”

MATRICULATION PROCESS

STUDENT SUCCESS AND SUPPORT PROGRAM

Senate Bill 1456 revised and renamed the Matriculation Act of 1986 as the Seymour-Campbell Student Success Act of 2012. Signed by Governor Brown on September 27, 2012, the program began on January 1, 2013 and will be implemented through stages over a five-year period. The Student Success and Support Program supports the transition of new students into the college by providing services that promote academic achievement and successful completion of degrees, transfer preparation, career technical education certificates, or career advancement.

Effective Fall 2014, based on student responses to the East Los Angeles College application for admission, students will be identified as matriculating or non-matriculating. Students identified as matriculating are referred to core matriculation services: assessment placement, orientation, and counseling.

Students must complete the assessment placement, orientation, and counseling (abbreviated Student Educational Plan) prior to their priority registration date and time. Abbreviated Student Educational Plans (SEPs) are provided during the counselor led new student in-person orientations. After registration and sometime during the semester, a comprehensive Student Educational Plan must be completed within a reasonable time period by making an appointment to meet with a counselor. Non-matriculating students are exempt from participating in the core matriculation services, but are advised to access these services if they plan to pursue a degree or certificate.

LOSS OF ENROLLMENT PRIORITY

Students, with the exception of foster youth or former foster youth, will lose registration priority at the first available registration after they are placed on academic or progress probation, or any combination thereof, for two consecutive terms or have earned one hundred (100) or more degree-applicable units in the District; however, non-degree applicable basic skills units do not count towards the 100 units.

Appealing Loss of Registration Priority

The college has established a Registration Priority Appeals Committee to review requests from students appealing the loss of enrollment priority. Petition to Appeal Loss of Enrollment Priority can be obtained at Admissions and submitted by the deadline dates (see Class Schedule) along with supporting documentation. A student may appeal on one or more of the following grounds:

a. Student with disabilities who did not receive proper accommodation
b. Extenuating circumstances
c. Significant academic improvement
d. Change in economic situation.

e. Evidence student was unable to obtain essential support services.
f. Special consideration as a participant of CalWorks, EOPs, DSPS, and Veteran Student.
g. Have not enrolled at the college for two consecutive semesters (Fall/Spring) since the student became ineligible for BOGW Fee Waiver.

The College Appeals Committee shall notify the student of its decision.

ATTENDANCE POLICIES

REGULAR ATTENDANCE

The student is expected to attend every meeting of all classes for which he or she is registered. Students who have enrolled for a class and who do not attend or who are late or absent from the first meeting of the class forfeit their right to a place in the class.

Mitigating circumstances may be considered by the instructor. Whenever absences “in hours” exceed the number of hours the class meets per week, the student may be excluded from class by the instructor.

1. If a student stops attending a class, it is the student’s responsibility to officially drop the class.
2. It is the student’s responsibility to consult with his or her instructor regarding any absences that could result in exclusion.

3. Concurrent enrollment in more than one section of the same course during a semester is not permitted. Violation of this regulation will result in exclusion from class and denial of course credit in both courses.

**TARDIES**

Three tardies will be considered the equivalent of one hour of class absence. Continued tardies may result in exclusion.

**PREREQUISITE, COREQUISITE, AND ADVISORY DEFINITIONS**

**PREREQUISITE**

A prerequisite is a measure of readiness for a course or program that a student is (REQUIRED) to meet as a condition of enrolling in a course or program. A prerequisite may be a course, activity, audition, test or similar measure of readiness. Prerequisites in many disciplines are now checked by computer and are strictly enforced.

**COREQUISITE**

A corequisite is a requirement that (MUST) be satisfied at the time a particular course is taken; usually a corequisite is concurrent enrollment in another course, but may, in certain situations, be completed at an earlier time.

**ADVISORY**

An advisory is a measure of readiness for a course or program that is (RECOMMENDED) for students. May be a course, activity, audition, test, or similar measure of readiness.

**Registration Limitation**

All students need to demonstrate they meet the prerequisite or corequisite requirement in order to register for the course. If a student meets the requirement through satisfactory completion of a course at East Los Angeles College or through Assessment placement, you will automatically be cleared for course registration. If you meet the course prerequisite or corequisite through other methods, you must submit a “Student Prerequisite or Corequisite Completion Petition” to Admissions by the deadline date, with supporting documents.

**STUDENT PREREQUISITE OR COREQUISITE POLICIES**

It is the student’s responsibility to know and to meet all course prerequisites. These requirements are indicated following the course name and number. If prerequisites have been met at another college, students must file a “Prerequisite Completion Petition” with an unofficial transcript or assessment results.

Students who wish to challenge prerequisites or corequisites must file a “Prerequisite or Corequisite Challenge Petition” by the deadline date with documentation sufficient to support the challenge. In keeping with requirements and provisions of Section 55201(f) of Title 5 and Section 1.B. 1-3 of the Los Angeles Community College District Model Policy, East Los Angeles College has an established procedure by which any student who provides satisfactory evidence, may seek entry into a course according to the college’s challenge process.

**THE GROUNDS FOR STUDENT CHALLENGES**

(According to Section 55201(e) of Title 5)

1. Student has the appropriate documented knowledge or experience or ability to succeed in the course for which the prerequisite or corequisite is specified.

2. Requirement (prerequisite or corequisite) was not established by adopted L.A.C.C. district process, or was established in violation of Title 5.

3. Requirement is unlawfully discriminatory or applied in an unlawful discriminatory manner.

4. Student will be delayed in completing my educational objectives by a semester or more in fulfilling the requirements for a degree or certificate because the prerequisite course has not been made reasonably available.

   a. Student has specified an educational goal after having completed 15 units of college work with a GPA of C or better, have filed an educational plan 90 days after completing the said 15 units, and

   b. Alternate course to fulfill degree or certificate requirements are not available.

5. Student has the appropriate documentation to show that they do not pose a health or safety threat to others or myself in course for which a health or safety prerequisite is specified.

6. Student will be delayed in completing my educational goals by a semester or more in fulfilling the requirements for a degree or certificate because course enrollment was limited to students judged more qualified in intercollegiate competition, honors, or public performance or enrollment was limited to a particular cohort of students. Student filed an Educational Plan and specified an educational goal after having completed 15 units of college work with Satisfactory Academic Progress.

**STUDENT PREREQUISITE OR COREQUISITE PROCESS**

1. A student must file proof of completion or challenge a course prerequisite or corequisite with either the “Prerequisite Completion Petition” or “Prerequisite or Corequisite Challenge Petition” form. These forms can be obtained from the Office of Admission and Counseling (E1 Building) or on-line at www.elac.edu.

2. The completed petition and any and all appropriate documentation (e.g. unofficial transcripts, verifications of experience, etc.) must be filed no later than 10 working days before a semester or session begins with the office of Admissions.

3. The petition will be processed within 10 working days of its receipt, and the student will be notified accordingly.

4. If the petition is found to be justified, and no space is available in the course at the time the petition is filed, the student shall be permitted to enroll for the next term. Enrollment will be permitted only if space is available when the student registers for the subsequent semester, or summer session.

5. In the event the petition is denied, the student may appeal the decision on the completion petition to the Dean of Admissions and the challenge petition to the Dean of Academic Affairs (G1 207).

6. Notification of the appeal decision will be sent to the student within five working days after its receipt by the Office of Admissions or Academic Affairs.

**UNIT LOAD**

The normal class load for full-time students in the Fall or Spring semester is from 12 to 19 units per semester. Students who will be employed while attending college should reduce their programs accordingly. A college program of 15 units is equivalent to at least a 50 hour work week for most students. A student who desires to take more than 19 units must obtain approval from a counselor in E1 Building.

**PROGRAMS THAT REQUIRE A MINIMUM NUMBER OF UNITS**

- International Students: 12 units
- Student Body Officers: Day 9 units, Evening, 6 units
- Athletes: 12 units including a Physical Education course or courses
• Social Security Program: 6 units
• EOPS Students: 12 units
• Financial Aid Students: At least 6 units

CLASSES OPEN TO THE PUBLIC
It is the policy of the District that, unless specifically exempted by statute, every course, course section or class, the average daily attendance of which is to be reported for state aid, wherever offered and maintained by the District, shall be fully opened to enrollment and participation by any person who has been admitted to the college(s) and who meets such prerequisites as may be established pursuant to Chapter 2, Division 2, Part IV, Title 5 of the California Code of Regulations, commencing with Section 51820 (Adopted by Board action April 6, 1977).

CLASSES SUBJECT TO CHANGE
The Los Angeles Community College District and East Los Angeles College have made every reasonable effort to determine that everything stated in this class schedule is accurate. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the administration of the Los Angeles Community College District or East Los Angeles College for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District and the College. The District and the College further reserve the right to add, amend, or repeal any of their rules, regulations, policies, and procedures.

PRIVACY ACT/STUDENTS’ RIGHTS
Congress has provided in the “Family Education Rights and Privacy Act” that students have certain rights.

• Right to inspect and review their educational records.
• Right to request amendment of records a student believes to be inaccurate or misleading.
• Right to consent to disclosure of personally identifiable information from educational records by an educational agency or institution.
• Education records and directory information (address, telephone number) may be disclosed to school officials (administrator, faculty and staff) without prior consent, unless a student wishes to refuse the release of directory information.
• Under federal law, the military is entitled to receive directory information for recruiting purposes. A student can refuse the release of directory information by completing a “Release of Directory Information” form and submitting it to the Admissions Office.
• The Los Angeles Community College District is committed to protecting student privacy and currently uses collection and storage systems to eliminate the use of social security numbers as the primary method of student identification.

GRADING AND ACADEMIC STANDARDS

PASS/NO-PASS
The grade of P Pass will be given if the student’s performance in class is equal to a “C” grade or better. The grade of “NP” (no credit) will be given if the performance in class is equal to a “D” or “FAIL” grade. Students may petition only those classes listed in the Catalog on a Pass/No Pass basis by the deadline date (see class schedule calendar).

Once a student’s petition to take a course on a Pass/No Pass has been approved, the student is not permitted to receive a letter grade in the approved course. The symbol P or NP must appear on the student’s permanent transcript for that course. “Pass/No-Pass” and “Credit by Examination” courses are listed in the College Catalog.

CREDIT BY EXAMINATION
The College President may designate courses in the College Catalog which a student may challenge if the student meets the following requirements:

a. Currently enrolled with a minimum cumulative grade-point average of 2.0.
b. Completed 12 units of coursework within the Los Angeles Community College District.
c. Not currently enrolled, or have completed, a more advanced course in that discipline.
d. The maximum number of units for which a student may petition for credit by examination at the College shall be 15 units.

GRADE REQUEST PROCEDURES
Students will be able to receive information on their grades through the Student Information System on-line. If you need a copy of your grades, you can obtain a one semester grade printout from the internet. This print-out is NOT a Transcript or a Verification of Enrollment. If you need an Official Transcript or a Verification of Enrollment, you may order them from the Admissions Office.

INCOMPLETE
An “INC” (incomplete) must be made up by the deadline established by the instructor. The deadline may not be any later than one year following the end of the term in which it was assigned.

SCHOLARSHIP STANDARDS
A student is expected to maintain at least a “C” average (2.0 grade point average on a 4.0 scale).
A student who is placed on academic or progress probation of their status no more than 30 days after the end of the term that resulted in academic or progress probation. The notice shall clearly state that two consecutive primary terms of probation will lead to loss of the BOG Fee Waiver.

The college shall make reasonable efforts to provide counseling and other support services to help students on probation overcome academic difficulties. Colleges should also help mitigate potential loss of the BOG Fee Waiver and ensure that students have the opportunity to receive appropriate counseling, assessment, advising, or other services on a timely basis.

The college shall make reasonable efforts to notify a student of removal from probation, reinstatement after dismissal, and restoration of BOG Fee Waiver within timelines established by the District in consultation with the campus Academic Senate. Probation, dismissal and loss of BOG Fee Waiver policies and procedures shall be published in the college catalog.

ACADEMIC RENEWAL

Students who have a 2.5 grade point average in their last 15 units or 2.0 in their last 30 units completed at any accredited college or university may petition to take the course again under recency requirements for certain medical professions. At least 36 months must have passed since the previous course was completed and any new grade earned will not be counted in G.P.A.

Students may also repeat a course with a passing grade, if it is necessary for a student to meet a legally mandated training requirement as a condition of continued paid or volunteer employment, such courses may be repeated for credit any number of times, and the grade received each time shall be included for purposes of calculating the student's grade point average. The college shall establish policies and procedures requiring students to certify or document that course repetition is necessary to complete legally mandated training pursuant to this subsection. A student with a disability may repeat a class any number of times, if such repetition is required as a disability-related accommodation for that particular student.
