EAST LOS ANGELES COLLEGE

SCHEDULE
of CLASSES
& STUDENT SERVICES

MONDAY
FEBRUARY 8
2016
50¢ (TAX INCLUDED)
The first phase of a long-awaited Math/Science complex is scheduled to open in 2016. It will feature state-of-the-art science labs, a large lecture hall, up-to-date classrooms, and the math tutoring center. Once the first phase is complete, the second phase will be to demolish the existing G8 and H8 buildings and replace them with a single, two-story building which will house Physics, Anthropology, Geology, Geography, and GIS. Presently all the sciences and mathematics are housed in bungalows scattered around campus. Needless to say, faculty are enthusiastically waiting for their new home.
Welcome to the spring 2016 semester! Whether you are a new or continu-
ing student, you will find positive changes on campus. A brand-new Stu-
dent Center, set to open this semester, will bring much-needed space for expansion of the Associated Student Union, the bookstore, and student recreational and study areas.

A building you cannot possibly miss noticing is the new Student Success and Retention Center, standing five stories tall, directly across from the E7 Technology Center. This state-of-the-art facility is home to all the Language Arts—English, English as a Second Language, Modern Languages (formerly Foreign Languages), and Communication Studies—as well as the Learning Resource Center, Chicana/o Studies, and the Honors Program. The Writing Center is in that building with greatly increased facili-
ties to assist you with your papers. Something we haven’t had in many years, a modern, state-of-the-art Language Lab, is installed to serve both Modern Languages and ESL. These are exciting times for faculty, staff, and students who have been waiting so long for these facilities.

Let me add something on a personal level. Many of you will find that attending college is another layer of stress on top of work and family responsibilities. All of us at ELAC—administration, faculty, staff, and your student peers—want you to know that help is available whether you need crisis intervention, mental health counseling, or just someone to listen. In this schedule, you can find the telephone numbers and hours for the Student Health Center and the ELAC Women’s and Men’s Support Center. These offices can also put you in touch with many community resources. Whatever you are going through, be sure others are going through it too. A helping hand is there if you will reach out.

I hope you will think of ELAC as part of your extended family, both while you are here and wherever your life takes you.

WITHDRAWING FROM A CLASS IS A SERIOUS DECISION

New statewide regulations are now in effect that change the way students should think about enrolling in, and then withdrawing from classes.

Community colleges get most of their money from the state based on enrollment. Your fees cover only a fraction of the cost. Each class you enroll in results in compensation to the college from the state, and that is how the college stays open.

In the past a student could withdraw from the same course up to 4 times, and in addition repeat the course up to two times to try to improve a grade of D or F. In other words, you could get a “W” in the same course 4 times and complete the course up to three times until attaining a grade of “C” or better.

FROM NOW ON, A “W” COUNTS AS AN ATTEMPT AND YOU ONLY GET THREE ATTEMPTS AT ANY ONE COURSE.

AFTER THAT, THE STATE WON’T PAY THE COLLEGE FOR YOU TO TAKE THE COURSE AGAIN.

WHAT THIS MEANS FOR ELAC STUDENTS

- If you stay in a course past the “no penalty” withdrawal date and then drop it or are excluded, you receive a grade of “W” and you have used up one of your three attempts.
- When you have made three attempts at a class, with any combination of W, D, or F grades, you will not be able to register for the class again. You would have to try to take the class again at a college outside the Los Angeles Community College District.
- You may petition for one more try citing “extenuating circumstances;” however, for the most part the only extenuating circumstances that are allowed are military deployment or natural disaster.
- If your registration is blocked because of this rule, getting an add permit will not help.

WHAT YOU SHOULD DO

- If you’re going to drop, drop before the deadline so you won’t get a “W”.
- Be sure you’re academically ready for classes you enroll in.
- See a counselor to help you make good decisions about your educational plan.
How to Apply and Register

STUDENT CATEGORIES
The faculty and staff are pleased that you chose East Los Angeles College to pursue your higher education. We are committed to help you succeed in accomplishing each phase of your educational program so you can finish your studies in the shortest time possible.

This section explains how you can enroll into the college, how you get your classes, and how much you can expect to pay in fees as well as the fee refund policies. In addition, this section explains the academic standards which the faculty and staff expect you to achieve while you are a student at East Los Angeles College.

For application and registration purposes, all students fall into one of the three categories listed below. It is important that you understand the category which applies to you.

Category 1: NEW STUDENTS – if you have never attended East Los Angeles College or any other Community College within the Los Angeles Community College District (known as the LACCD).

Category 2: RETURNING STUDENTS – if you attended East Los Angeles College or any other Community College within the LACCD in the past, but did not attend the last two semesters.

Category 3: CONTINUING STUDENTS – if you attended East Los Angeles College during the past two (2) regular semesters.

MATRICULATION PROCESS
STUDENT SUCCESS AND SUPPORT PROGRAM
Senate Bill 1456 revised and renamed the Matriculation Act of 1986 as the Seymour-Campbell Student Success Act of 2012. Signed by Governor Brown on September 27, 2012, the program began on January 1, 2013 and will be implemented through stages over a five-year period. The Student Success and Support Program supports the transition of new students into the college by providing services that promote academic achievement and successful completion of degrees, transfer preparation, career technical education certificates, or career advancement.

Effective Fall 2014, based on student responses to the East Los Angeles College application for admission, students will be identified as matriculating or non-matriculating. Students identified as matriculating are referred to core matriculation services: assessment placement, orientation, and counseling.

Students must complete the assessment placement, orientation, and counseling (abbreviated Student Educational Plan) prior to their priority registration date and time. Abbreviated Student Educational Plans (SEPs) are provided during the counselor led new student in-person orientations. After registration and sometime during the semester, a comprehensive Student Educational Plan must be completed within a reasonable time period by making an appointment to meet with a counselor. Non-matriculating students are exempt from participating in the core matriculation services, but are advised to access these services if they plan to pursue a degree or certificate.

LOSS OF ENROLLMENT PRIORITY
Students, with the exception of foster youth or former foster youth, will lose enrollment priority at the first available registration after they are placed on academic or progress probation, or any combination thereof, for two consecutive terms or have earned one hundred (100) or more degree-applicable units in the District; however, non-degree applicable basic skills units do not count towards the 100 units.

Appealing Loss of Registration Priority
The college has established a Registration Priority Appeals Committee to review requests from students appealing the loss of enrollment priority. Petition to Appeal Loss of Enrollment Priority can be obtained at Admissions and submitted by the deadline dates (see Class Schedule) along with supporting documentation. A student may appeal on one or more of the following grounds:

a. The student has extenuating circumstances. Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the student’s control.

b. The student applied for reasonable accommodation for a disability, but did not receive it in a timely manner.

c. The student has demonstrated significant academic improvement. Significant academic improvement is defined as achieving no less than a 2.0 grade point average in the prior term.

The College’s Registration Priority Appeals Committee shall notify the student within ten (10) business days of its decision. The decision of the college Registration Priority Appeals Committee shall be final.

ADMISSIONS
Apply online at www.elac.edu. Submit official high school transcripts and any previous college official transcripts to Admissions (Main Campus, E1-105 or South Gate Educational Center). Submit proof of residency.

academic progress. Special services are provided to students on academic or progress probation, students in basic skills courses, and students who are undecided about their educational goals. Referrals to students are made to both on and off campus services when appropriate.

**MATRICULATION EXEMPTIONS**

2. Changing answers on assignments after work has been graded.
3. Using unauthorized electronic devices, such as cell phones, PDAs, electronic dictionaries, iPODs, etc.

ATTENDANCE POLICIES

REGULAR ATTENDANCE

The student is expected to attend every meeting of all classes for which he or she is registered. Attending a class without being registered is contrary to the Los Angeles Community College District rules and cannot be used as the basis for a petition to add a class. Students who have enrolled for a class and who do not attend or who are late or absent from the first meeting of the class forfeit their right to a place in the class.

Mitigating circumstances may be considered by the instructor. Whenever absences “in hours” exceed the number of hours the class meets per week, the student may be excluded from class by the instructor.

1. If a student stops attending a class, it is the student’s responsibility to officially drop the class.

2. It is the student’s responsibility to consult with his or her instructor regarding any absences that could result in exclusion.

3. Concurrent enrollment in more than one section of the same course during a semester is not permitted. Violation of this regulation will result in exclusion from class and denial of course credit in both courses.

TARDIES

Three tardies will be considered the equivalent of one hour of class absence. Continued tardies may result in exclusion.

PREREQUISITE, COREQUISITE, AND ADVISORY DEFINITIONS

PREREQUISITE

A prerequisite is a measure of readiness for a course or program that a student is (REQUIRED) to meet as a condition of enrolling in a course or program. A prerequisite may be a course, activity, audition, test or similar measure of readiness. Prerequisites in many disciplines are now checked by computer and are strictly enforced.

COREQUISITE

A corequisite is a requirement that (MUST) be satisfied at the time a particular course is taken; usually a corequisite is concurrent enrollment in another course, but may, in certain situations, be completed at an earlier time.

ADVISORY

An advisory is a measure of readiness for a course or program that is (RECOMMENDED) for students. May be a course, activity, audition, test, or similar measure of readiness.

Registration Limitation

All students need to demonstrate they meet the prerequisite or corequisite requirement in order to register for the course. If a student meets the requirement through satisfactory completion of a course at East Los Angeles
College or through Assessment placement, you will automatically be cleared for course registration. If you meet the course prerequisite or corequisite through other methods, you must submit a “Student Prerequisite or Corequisite Completion Petition” to Admissions by the deadline date, with supporting documents.

**STUDENT PREREQUISITE OR COREQUISITE POLICIES**

It is the student’s responsibility to know and to meet all course prerequisites. These requirements are indicated following the course name and number. If prerequisites have been met at another college, students must file a “Prerequisite Completion Petition” with an unofficial transcript or assessment results.

Students who wish to challenge prerequisites or corequisites must file a “Prerequisite or Corequisite Challenge Petition” by the deadline date with documentation sufficient to support the challenge. In keeping with requirements and provisions of Section 55201(f) of Title 5 and Section 1B 1-3 of the Los Angeles Community College District Model Policy, East Los Angeles College has an established procedure by which any student who provides satisfactory evidence, may seek entry into a course according to the college’s challenge process.

3. Requirement is unlawfully discriminating or applied in an unlawful discriminatory manner.

5. Student has the appropriate documentation to show that they do not pose a health or safety threat to others or myself in course for which a health or safety prerequisite is specified.

6. Student will be delayed in completing my educational goals by a semester or more in fulfilling the requirements for a degree or certificate because course enrollment was limited to students judged more qualified in intercollegiate competition, honors, or public performance or enrollment was limited to a particular cohort of students.

Student filed an Educational Plan and specified an educational goal after having completed 15 units of college work with Satisfactory Academic Progress.

**STUDENT PREREQUISITE OR COREQUISITE PROCESS**

A student must file proof of completion or challenge a course prerequisite or corequisite with either the “Prerequisite Completion Petition” or “Prerequisite or Corequisite Challenge Petition” form. These forms can be obtained from the Office of Admission and Counseling (E1 Building) or on-line at www.elac.edu.

2. The completed petition and any and all appropriate documentation (e.g. unofficial transcripts, verifications of experience, etc.) must be filed no later than 10 working days before a semester or session begins with the office of Admissions.

3. The petition will be processed within 10 working days of its receipt, and the student will be notified accordingly.

4. If the petition is found to be justified, and no space is available in the course at the time the petition is filed, the student shall be permitted to enroll for the next term. Enrollment will be permitted only if space is available when the student registers for the subsequent semester, or summer session.

5. In the event the petition is denied, the student may appeal the decision on the appeal decision to the Dean of Admissions and the challenge petition to the Dean of Academic Affairs (G1 207).

6. Notification of the appeal decision will be sent to the student within five working days after its receipt by the Office of Admissions or Academic Affairs.

The normal class load for full-time students in the Fall or Spring semester is from 12 to 19 units per semester. Students who will be employed while attending college should reduce their programs accordingly. A college program of 15 units is equivalent to at least a 50 hour work week for most students. Once a student’s petition to take a course on a Pass/No Pass has been approved, the student is not permitted to receive a letter grade in the approved course. The symbol P or NP must appear on the student’s permanent transcript for that course. “Pass/No Pass” and “Credit by Examination” courses are listed in the College Catalog.

NOTIFICATION

East Los Angeles College and the LACCD shall notify students placed on academic or progress probation of their status no more than 30 days after the end of the term that resulted in academic or progress probation. The notice shall clearly state that two consecutive primary terms of probation will lead to loss of the BOG Fee Waiver.

The college shall make reasonable efforts to provide counseling and other support services to help students on probation overcome academic difficulties. Colleges should also help mitigate potential loss of the BOG Fee Waiver and ensure that students have the opportunity to receive appropriate counseling, assessment, advising, or other services on a timely basis.

The college shall make reasonable efforts to notify a student of removal from probation, reinstatement after dismissal, and restoration of BOG Fee Waiver within timelines established by the District in consultation with the campus Academic Senate. The grade point average will be based on the most recently earned grades for the first 15 units of repeated work. After these first 15 units the grade point average will be based on all grades assigned and on all attempted units.

Note: Graduation honors and awards are based on full cumulative grade point average.

DEAN’S HONOR LIST

IMPORTANT INFORMATION ON COMPUTER COURSES
1. Students are REQUIRED to enroll in one computer lab section for EACH
   regular computer art course. (Example: If you take Art 633, you are RE-
   QUIRED to enroll in one section of Art 638. If you enroll in Art 633 and Art
   645, you will be REQUIRED to enroll in one section of Art 638 and one
   section of Art 845).
2. Students should be sure to enroll in a lab section that is taught in the same

### CALCULATOR USAGE IN MATHEMATICS

The following are types of calculators which are acceptable for use in mathematics classes.

A scientific calculator is the basic level that should be used in these classes. A Business Analyst calculator should be used if the student expects to be majoring in business related fields. A Graphing calculator is useful if the student is going on to higher courses in mathematics.

The list below indicates which calculators are approved for the classes offered. Where more than one calculator is listed the student can choose one of those listed.

**If you are an acting major**

Our acting program provides professional training and an adventure in risk-taking.

**If you are a 1st semester acting major:**

First, choose one of these classes or take both:

- TA 200 Introduction to Acting - Discover the major acting theories through performance.
- TT 323 Stage Management and Production. Student actors, directors, and producers plan and mount a production from the first rehearsal to the performance at the end of the semester.

Then, if possible, also enroll in:

- TA 240 Voice.

**If you are a 2nd semester acting major** you should complete TA 200 or TT 323, and perhaps, TA 260. Now choose:

- TA 260 Beginning Acting. Learn the essentials of basic acting technique.
- TA 293 Rehearsals and Performance
- TA 232 Play Production
- TT 342 Technical Stage Production
AND/OR

TA 200, TT 323, TA 260, whichever you don’t have.

IF YOU ARE A 3RD SEMESTER ACTING MAJOR or beyond, please make an appointment with Natalie Wong by calling 323 415-5034.

IF YOU ARE A TECHNICAL THEATRE MAJOR BEHIND THE SCENES AND BACKSTAGE

These classes prepare students for production positions in theatre, television, film, and PAID INDUSTRY INTERNSHIP PROGRAMS offered through the department. Students can also receive credit by participating in Theatre productions in scenery construction and painting, and as technicians in lighting, sound, props, costumes, and make-up. Students may participate as Stage Managers and Assistant Stage Managers and learn the essentials of entertainment industry leadership.

IF YOU ARE A 1ST SEMESTER TECHNICAL THEATRE MAJOR, take:

TT 323 Stage Management and Production and TT 342 Technical Stage Production. Student actors, directors, and producers plan and mount a production from the first rehearsal to the performance at the end of the semester.

THEN Choose:

One of our Technical Theatre Practicums. Examine and create lighting for theatre, film and television, from concept to performance, including current trends in computerized and intelligent equipment or learn to build and paint scenery.

OR

TT 350 Beginning Stage Make-Up. An essential skill for all actors, this class provides an overview and practical experience for actors and make-up technicians.

One of our Costuming for Theatre Courses. Learn design and construction techniques for period and modern costumes.

Online Classes

Students who take online classes make a commitment to log on to their classes at least three times per week. Online courses are designed for students who enjoy learning independently and cannot attend on-campus on a regular basis, and who are comfortable using a computer. Online courses are not self-paced courses; they follow the semester schedule and online students have deadlines and schedules just as classroom courses do. Online classes are academically the same as on-campus classes, and meet the same General Education and Transfer requirements as their on-campus counterparts. To take online classes at ELAC, you must first apply to the campus and go through the matriculation process.

Online classes follow the same academic calendar as regular classes. This means that they start when the semester starts. Some online classes are short term classes which have their own start dates; please check the schedule of classes on those dates: http://www.elac.edu/schedules/index.htm.

The office of Distance Education nor the Distance Education Coordinator does not provide academic counseling (http://www.elac.edu/studentservices/counseling/index.htm) or financial aid information (http://www.elac.edu/admission/finaid/index.htm).

BEFORE ENROLLING IN AN ONLINE CLASS:

- You must be a student at ELAC: http://www.elac.edu/admission/regulations.htm
- You must have completed the matriculation and orientation process: http://www.elac.edu/admission/matriculation/index.htm

- You must enroll during your appointment date and time

DURING ENROLLMENT OF ONLINE CLASSES:

- You must register for classes using the Student Information System: https://eweb3.laccd.edu/WebStudent/signon.asp
- If you missed the regular registration period you must use the ACE portal to ADD: http://www.elac.edu/online/OnlineAdd.htm
  - Only the instructor of the course can add you to a class
  - Please direct questions about course content, requirements, and/or requests to add a course to the instructor.
  - The instructor of the course must first approve your add request
  - Once the instructor approves your add, admissions must approve your add request
  - Admissions must approve your add request
  - If admissions denies your add request, you must clear your hold with admissions
- If admissions approves your add request, it will take 2 business days for you to access the Etudes course site

AFTER ENROLLING IN AN ONLINE CLASS:

- Please check the start date of your class. If you have enrolled in a short term class, please check the start date, as start dates vary: http://www.elac.edu/academic/calendar_fall2013.htm
- Please check if your course is offering an orientation: http://www.elac.edu/online/index.htm
- Information on how to log on to Etudes: http://www.elac.edu/online/courselogin.htm
- For information on Math online classes: http://www.myonlinemath.com/orientation

Transfer Assistance and Graduation Requirements

This section contains information about programs and services designed to help you transfer and/or graduate. It also lists the courses which will meet the graduation requirements for East Los Angeles College, and the courses which meet the transfer requirements of the University of California and the California State University.

East Los Angeles College services several programs which are specifically aimed at assisting students to transfer to the University of California (UC), the California State University (CSU), and to other four-year colleges and universities. These programs include:

- The Honors Program
- The Transfer Center
- Adelante
- Puente
- Mesa

GRADUATION REQUIREMENTS

Following the transfer program summaries, this section goes on to list the major and general education requirements which must be met by students who wish to graduate by earning the Associate of Arts Degree or the Associate of Science Degree. There are two ways to meet the AA or AS degree requirements—by Plan A or Plan B—and the required coursework for each plan is described. Obviously, students who wish to earn the AA/AS degree should read these requirements carefully. If the requirements seem complicated or even confusing, please consult with a counselor to get them clarified.

TRANSFER REQUIREMENTS FOR UC AND CSU

Following the East Los Angeles College graduation requirements are two pages which list different ways you can meet the general education requirements for transferring to UC or CSU. The first listing of transfer course requirements is known as the “IGETC” pattern. The letters stand for Intersegmental General Education Transfer Curriculum. The page lists all the courses offered at East Los Angeles College which satisfy the general education transfer requirements for both the University of California and the California State University. The course information that is presented is no more than a simple listing of what courses will transfer. You should consult with a counselor and read the applicable pages in the College Catalog to obtain further information that you should know in regards to how to transfer.

The second listing of courses applies only to students who plan to transfer to the California State University, and who wish to complete their “General Education” requirements at East LA College. Students who meet the requirements, as listed, may petition the college for certification — certification means that after transferring, the student will not have to take any other lower division general education courses to meet CSU graduation requirements for the Bachelors Degree. Again, students should consult a counselor when planning a transfer program and read the applicable pages of the College Catalog to ensure that other important transfer requirements are met.

• Federal Direct Loans

The above loans have to be paid back:
The federal government uses a formula to determine the amount you will receive. The formula includes the cost to attend college based on the poverty level in the country. The formula is used for part-time and full-time students. It is very important to apply early. You should apply six months (January to March) before the fall semester begins. You can apply at anytime during the academic (Fall and Spring) year. It may take two months to process by the government and campus. The PELL Grant is available throughout the year, but other grants have limited funding and may not be available if you apply late.

The U.S. Department of Education produces a Financial Aid - Student Guide.

STATE FINANCIAL AID
• BOGFW
• Cal Grant
• Child Development Teacher Grant
• CHAFEE Grant

You do not have to pay back the above grants:
The BOGFW waives the registration fee for classes. The enrollment fees are waived for students who are low-income or receiving public assistance (welfare), or determined by the federal financial aid formula. All students who qualify for BOGFW must pay the mandatory health fee each semester.

Any motor vehicle parked at East Los Angeles College between the hours of 7:00 a.m. and 10:30 p.m. must display a valid parking permit either suspended from the rear view mirror (facing out) or on the driver’s side of the dashboard (facing up). Failure to display a valid parking permit will result in the issuance of a citation pursuant to California Vehicle Code (CVC) Section 21113(A).

2. It is the responsibility of the student/instructor to properly display their permit.

3. Purchasing a permit does not exempt a student from receiving citations.

4. Board Rule #7401 “The Board of Trustees or the District will not be responsible for damage, loss of vehicle or its contents unless the District is liable under the Government Codes 810 to 966.6 inclusive.”

5. Vehicles parked in violation of campus or CVC regulations may be cited and/or towed away at owner’s expense.

Purchasing a permit does not guarantee you a parking space, as spaces are on a first-come first-serve basis. Failure to display a valid permit will result in the issuance of a parking citation (CVC 21113[A]).

8. Handicapped students are allowed to park in all student lots. There are designated handicapped parking stalls in every one of these parking areas. To park in these stalls, vehicle must display a valid handicapped placard, along with a valid parking permit. **THE WRITING CENTER, E3-220**

Helps students with all writing assignments.

Our tutors are highly trained to help students develop and organize their thoughts, enhance their writing, and improve their grammar. We provide quality service to all students who wish to strengthen their writing and critical thinking skills. This assistance is available for all subjects including the Social Sciences, Nursing, Child Development, and English. Our tutors are dedicated to enhance student learning with guided personal input, and we encourage students to take advantage of the Writing Center’s one-on-one tutoring. We also offer group workshops, which cover topics such as brainstorming, developing and organizing ideas, writing thesis statements, analyzing texts, using proper punctuation, writing research papers, and researching in general.

Our purpose is to help students become stronger and more independent writers. However, the responsibility of making changes rests with students. During a tutoring session, tutors help students focus on their essay content while involving them in the learning process by having them reflect on their own work. When tutors read students’ essays, they primarily take a holistic approach by first concentrating on thesis development, paragraph structure, overall essay clarity, close reading of the text (if applicable), and then review grammar/syntax/punctuation error patterns. Tutors do not proofread; instead they patiently guide students through the writing process, offering detailed advice and explanations on the essay structure and grammar.

Because students are our priority, we open early in the morning and close late at night. The Writing Center also offers grammar support programs, which aid students in strengthening their grammar skills.

Since the Writing Center is a free and helpful campus resource, it is highly recommended that students visit at least once a week. Please make an appointment.

MESA STUDENT BENEFITS

- Academic Advisement. The MESA program has its own academic advisor to help students develop their educational plans and provide transfer guidance. The academic advisor also assists students with personal statements, scholarship applications, and resumes. Appointments must be made in order to meet with an academic advisor. You may call (323) 780-6838 or email Monica Garcia garciam2@elac.edu to schedule an appointment with the Advisors.

- Meeting with MESA Director. The MESA students may need or be required to meet with Dr. Armando Rivera for different reasons including Research Opportunities, Grade Point Average, Recommendation Letter and/or Advisement. You may call (323) 780-6730 or email Lidya Ermias ermiasl@elac.edu to schedule an appointment with Dr. Rivera.

- Tutoring Services. The MESA program provides tutoring services by MESA students or Alumni in the fields of mathematics, engineering, chemistry, physics, biology, and environmental sciences. The tutors schedules and information is placed outside of the MESA office two weeks after the school semester has begun. There is a tutorial binder in the MESA Study Center that is used by the staff to book appointment. Although we encourage students to make appointments, walk-ins are also welcomed. You may book an appointment in person in the study center or by phone by calling (323) 780-6838.

AEWs are facilitated by ELAC instructors who are currently teaching mathematics, chemistry and physics. The purpose of the workshop is to provide students with assistance outside of the classroom in specific courses.

- Access to the MESA Loan Program. The MESA Loan Program provides MESA students the opportunity to borrow school materials for the academic semesters. These materials include textbooks, scientific/graphing calculators, educational films, and laptops. According to availability, there may be a limit of materials a student may borrow; usually it is one of each material (i.e. 1 book, 1 calculator, etc.). There may be exceptions, for further questions regarding this rule, please contact the MESA office staff at (323) 780-6730. The loan program will be first come first served.

- Access to the MESA Study Center. The MESA Study Center is a place where MESA students come to study in a unique environment provided by a family oriented setting and the on-site staff. MESA students are able to focus on their academics by using the study center as location to study with other MESA students and to take advantage of what the study center has to offer. The MESA Study Center has 8 computers, four white boards, study space provided by study tables, one couch, and a television. If that is not enough, MESA students are provided with dry erase markers and dry erasers during their study sessions, limitless scratch paper, and printing privileges. The study center is a privilege to MESA students, and there are a set of rules the students must follow in order to use these services.

- Scholarships, Internships, and Research Opportunities. Weekly emails inform the students about scholarships, internships, and research opportunities. If the student would like more information regarding a particular opportunity, they are encouraged to contact the MESA staff at (323) 780-6730. MESA staff is continuously looking for opportunities for students. Whenever there are scholarships, internships, or research opportunities, MESA students are promptly informed via email or phone calls.

- Email and Information Updates. MESA students are notified about campus events, transfer information, student services, and other related information through weekly emails. MESA students have the advantage of knowing what services are offered throughout the campus ahead of time by through emails. It is the student’s responsibility to notify the staff with an accurate and up to date working email address. This will facilitate the weekly emailing process for the advantage of the student. If the student does not receive emails, it is the student’s responsibility to notify the staff about the issue.

- Science Transfer Day. During the fall semester, MESA hosts a group of representatives from local universities who come and share information about majoring in mathematics, science or engineering at their institution. This event is a great opportunity to learn about different schools and what they have to offer. All MESA students are encouraged to attend this event. Whether you are applying to transferring during the same academic year or in the future, it is a great opportunity to learn about your major and local schools.

- Field Trips and MESA Retreat. MESA students are invited on educational field trips with the MESA staff as well as other staff on campus. In addition, once a year, MESA students are encouraged to participate in the MESA Retreat. The retreat is an opportunity to learn about green practices, develop leadership skills and get to know fellow MESA members.

Field trips will be announced with sufficient time in advance for the students to plan ahead if interested. The MESA Retreat is dependent on funding and is done once a year. Sign-ups for the field trips and retreat are typically done a month in advance. For more information regarding field trips and the retreat, please contact the MESA staff at (323) 780-6730.

SUMMARY OF THE POLICY—PROHIBITED DISCRIMINATION AND HARASSMENT

Los Angeles Community College District
770 Wilshire Blvd.
Los Angeles, CA 90017
213/891-2000

Any member of the college community which includes students, faculty and staff who believes, perceives or has actually experienced conduct that may constitute Prohibited Discrimination or Harassment, has the right to seek the help of the college. Every employee has the responsibility obligation to report such conduct to the Compliance Officer (CO).

WHAT CAN YOU DO ABOUT PROHIBITED DISCRIMINATION AND HARASSMENT?
Talk to the Offender
Often problems will stop once the offender realizes the conduct is unacceptable.

PUT IT IN WRITING
Let the offender know that you don’t like being treated this way and will report him/her unless it stops.

KEEP A RECORD
Record the date, time, place and names of witnesses and describe the exact nature of the incident.

DON’T IGNORE IT
Ignoring Prohibited Discrimination and hoping it will not be repeated is the most common reaction, yet it is the most ineffective way to deal with such incidents.

CONTACT THE COMPLIANCE OFFICER
Prohibited Discrimination should be reported immediately to the Compliance Officer or to another college administrator who will work with the Compliance Officer.

The Compliance Officer is always available to confidentially discuss any possible discrimination or sexual harassment complaint.

YOU HAVE THE RIGHT!
• To work and study in an atmosphere free of harassment & discrimination
• To be judged by the same criteria as all others, not by standards that are less demanding, or more rigorous, or different in any way.
• To complain, free of retaliation

Discrimination may include, but is not limited to the following type of behavior:
• exclusion from employment opportunities such as training, transfer or promotion
• allocation of poor grades based on one’s protected class
• denial of reasonable accommodation because of a disability
• decisions based on stereotypes or assumptions about ones abilities, traits or performance

Sexual harassment may include, but is not limited to the following type of conduct:
• making unwelcome, unsolicited contact with sexual overtones (written, verbal, physical and/or visual contact)
• unwelcome pressure for dates
• display of sexually suggestive objects, cartoons, posters
• request for sex in exchange for grades, recommendations, job opportunities

DEFINITION OF PROHIBITED DISCRIMINATION
Prohibited Discrimination is defined as discrimination or harassment in violation of state or federal law on the basis of actual or perceived ethnic group identification, race, color, national origin, ancestry, religion, creed, sex (including gender-based sexual harassment), pregnancy, marital status, cancer-related medical condition of an employee, sexual orientation, age, physical or mental disability, or veteran status.

DEFINITION OF SEXUAL HARASSMENT
Sexual harassment is unwelcome sexual advances, requests for sexual favors, and other verbal, visual or physical conduct of a sexual nature, made by someone from or in the workplace or in the educational setting.

RECORd
Retaliation against anyone who makes a complaint, refers a matter for investigation or complaint, participates in investigation of a complaint, represents or serves as an advocate for an alleged victim or alleged offender, or otherwise furthers the principles of this policy.

FALSE ALLEGATIONS
Anyone who files a complaint in which he/she knowingly makes false allegations of fact shall also have violated this policy and shall be subject to disciplinary action.

CONFIDENTIALITY
All persons involved in investigation of complaints shall have a duty to maintain the confidentiality of the matters discussed, except as may be required or permitted by law, which include the rules and regulations of the District. A complete record of each complaint and investigation shall be kept by the Director of Diversity Programs. The Written Decision or any Settlement Agreement regarding the results of the investigation shall be placed in the personnel file of each employee involved as an alleged offender, alleged victim or complainant.

ACADEMIC FREEDOM
The Board of Trustees reaffirms its commitment to academic freedom, but recognizes that academic freedom does not allow Prohibited Discrimination. The discussion of ideas, taboos, behavior or language which is an intrinsic part of the course content shall in no event constitute Prohibited Discrimination, though such ideas may cause some students discomfort. It is recognized that academic freedom insures the faculty’s right to teach and the student’s right to learn.
COMPLAINT PROCEDURE

GENERAL PROVISIONS
The Director of Diversity Programs is responsible for receiving complaints and coordinating investigations from within the District, from other governmental agencies, and from outside sources. Each College President shall designate a CO for the campus, not a faculty member, and the Chancellor shall designate the CO for the District Office. Each College President, in consultation with the ASO President, shall designate an employee who shall serve as Advocate for Students (AFS). All Supervisors shall be responsible for maintaining a work environment consistent with this policy. Any supervisor who becomes aware of a situation which could be reasonably perceived to be a violation of this policy must report it to the CO for his or her work site. All employees are responsible for maintaining an educational environment consistent with this policy. Any employee who becomes aware of a situation which could reasonably be perceived as a violation of this policy should refer it to the CO for his or her work site. A summary of the policy shall be published in each college catalogue and class schedule. A copy given to new employees. The entire policy posted prominently. Complaints may be filed by persons other than the person who is the recipient of unwanted conduct. Complaints may also be filed with the State Chancellor’s Office. The CO shall receive the complaint, and notify the complainant, alleged offender, the College President or District administrator, and the Director of Diversity Programs, within 5 business days of a potential violation of this policy. During the process of the investigation, the complainant/victim and the alleged offender have the right to be represented.

INVESTIGATION
The CO shall promptly investigate all potential violations of this policy of which he or she becomes aware. The CO shall notify both the College President or, at the District Office, the Deputy Chancellor, and the Director of Diversity Programs that an investigation is being conducted. Such an investigation may be initiated on the basis of a Complaint, a referral from a Supervisor or employee, or any other information indicating a potential violation of this policy from any other source. In the absence of a complaint form and/or a formal complaint, the CO shall conduct a preliminary investigation, which shall be completed within 30 days after the CO becomes aware of a potential violation. If, as a result of the preliminary investigation, there is a prima facie case of Prohibited Discrimination, the CO shall sign a formal complaint. A “prima facie” case means that there is evidence which, if unexplained or uncontradicted, would be sufficient to make a finding that discrimination had occurred. The formal investigation and Written Report shall be completed by a CO from another worksite. If there is not a prima facie case of Prohibited Discrimination, the CO shall advise the complainant and alleged offender in writing, with a copy to the College President or Deputy Chancellor, which may be appealed in accordance with these rules.

INFORMAL PROCEDURE
The CO shall undertake efforts to informally resolve and investigate the charges. This process is limited to 30 days. If a resolution is reached, the CO shall draft a Settlement Agreement to be signed by the alleged victim/complainant and the alleged offender. The CO shall monitor the situation to insure that the resolution is properly implemented and maintain records.

COMPLAINT PROCEDURE
A written Complaint must be filed on the prescribed Los Angeles Community College Complaint form. The CO will have 60 days to investigate the complaint. Employment based Complaints shall be filed within 180 days. For a Complaint not arising from or related to employment, the Complaint shall be filed no later than one year from the date when the complainant knew or reasonably should have known of the facts underlying the Complaint.

CO’S REPORT
Within 60 days after becoming aware of a potential violation of this policy, the CO shall complete the investigation and make a Written Report to the College President, or Deputy Chancellor. The College President, or Deputy Chancellor, shall independently assess whether the “preponderance of the evidence” establishes a violation and shall determine what action is to be taken, if any. Prior to making the decision, the alleged offender and alleged victim shall have the opportunity to make an oral statement, within 15 days from the receipt of the CO report. Within 90 days from the start of the investigation a Written Decision shall be mailed to the complainant/victim and the alleged offender.

DISCIPLINARY ACTION
If appropriate, the College President, Deputy Chancellor, or the Chancellor shall initiate the applicable disciplinary process within 10 business days of receiving the Written Decision. Disciplinary action shall include, without limitation, verbal warning, probation, suspension, expulsion, letters of reprimand, Notices of Unsatisfactory Service, suspensions, demotions or dismissals.

APPEALS
If the complainant/victim is not satisfied with the Written Decision, he/she may appeal to the District’s Board of Trustees by submitting a written appeal to the Chancellor’s Office within fifteen (15) days. The Chancellor shall present the written appeal, the Written Decision and the investigative report to the Board of Trustees in closed session. If the 45 days elapse without further action, the Written Decision shall be the final decision of the District. In non-employment cases the complainant has the right to file an appeal with the State Chancellor’s Office within 30 days after the Board decision is issued, or the 45 days have elapsed, whichever comes first.

ADDITIONAL REMEDIES
The complainant or alleged victim may pursue independently civil law remedies, including but not limited to injunctions, restraining orders, or other orders. An individual who believes that he/she is the victim of Prohibited Discrimination may also file a complaint with the Department of Fair Employment & Housing at (800) 884-1684, the Equal Opportunity Commission at (213) 894-1000, for employment based complaints; and the Department of Education, Office for Civil Rights at (415) 556-4275, for non-employment complaints whether or not the complainant chooses to utilize the District’s internal procedure.

As part of East Los Angeles College’s continuing effort to ensure a safe college environment, the college has implemented a new rapid emergency communication system known as RaveMobile. This system allows East Los Angeles College to convey time-sensitive information within minutes, through a single communication to our students, faculty and staff.

ELAC students and employees can sign up for emergency notification announcements via email and text message(s).

In case of an emergency at the college, such as earthquake, gas leak, active shooter, power outages, ELAC can immediately notify students and employees about the situation and properly direct them to the safest areas.

For more information about how to register for the RaveMobile notification system please go to the following website:
