Note: Clinical participation in some programs require students to be at least 18 years of age. All students will have to complete and pass a criminal background check and drug screening. Please consult the college catalog for further information.

An applicant who has been convicted of a felony or the subject of arrest pertaining to a controlled substance should confer with an authorized representative of the regulatory/licensing agency to determine eligibility for future credentialing and practice. Graduates are subject to the laws, policies, and procedures of their respective regulatory/licensing board. The college cannot assure licensure/certification. Students are subject to the policies and procedures of affiliating agencies.

Submitting this application, along with payment of the application fee, and completion of prerequisite courses does not guarantee admission to the program.

I certify all statements given in this application are true and accurate to the best of my knowledge. I agree to abide by the rules and regulations of Los Angeles Community College District and East Los Angeles College.
