Welcome back to ELAC!

Students, with everything that has happened during this pandemic, I want to stress more than ever that it’s all about you. We are here to serve you, to meet your needs, to help you discover career paths, to get you transferred or certified. Over the past year and a half, ELAC and the Los Angeles Community College District have done what we can to smooth your paths and eliminate barriers, from putting technology in your hands for distance learning to helping with finances. As the world slowly emerges from this pandemic, I know our faculty and staff are eager to interact with you, whether in person or remotely, depending on your needs. Student equity is at the forefront of our decisions and we remain fully committed to providing you with the support services necessary to achieve academic excellence.

We are also committed to following and enforcing all COVID health protocols established by the District, Los Angeles County, and the State of California. We remain nimble and as these change, we adapt. For all who are returning to campus this fall, teamwork is critical. We need to take care of each other. Our ethic of care and compassion for one another must prevail during these difficult times. Please protect yourselves and all the people in our community by observing health and safety precautions. For the current protocols, check http://www.laccd.edu/About/News/Pages/Coronavirus.aspx frequently and pay attention to campus signage and announcements.

To respond to the varying needs of our students, a significant number of classes are returning to face-to-face mode. Many others remain online. As student needs emerge and change, we will adjust.

Many in our community have experienced loss during this pandemic—loss of loved ones, jobs, housing, well-being. Please know that our Student Services division is ready to help with online and in-person counseling, health care, financial aid, and academic support. Faculty and staff truly care about your success and are ready to support and encourage you. Let’s do this together!

In Solidarity,

Alberto J. Román, DPA
