Workshop Descriptions

**CSU Application**

Attend this workshop and learn about the process on how to navigate the Cal State Apply application for the California State University (CSU) system. Learn about the requirements of a CSU, and the breakdown on information regarding each section of the application.

**Undocumented Transfer Workshop**

Learn about the transfer process to a four-year university as an undocumented and/or AB540 student (UC’s, CSU’s, Privates). Find out about undocumented friendly universities and the resources they offer, along with information on the financial aid process.

**Transfer Financial Aid & Scholarships**

Attend this workshop to get a more comprehensive understanding about financial aid and other financial resources available to transfer students. This includes: types of financial aid, cost of attendance for different institutions, and developing strategies to pay for school. Learn about a Prestigious Jack Kent Cooke scholarship that is worth $120,000 with potential funding for graduate school.

**UC Transfer Admission Guarantee (TAG)**

Transfer with a Guarantee! UC TAG is an opportunity that guarantees admission to one of the six participating UC’s. Learn about the benefits of applying to UCs, and what they are looking for. Get a chance to create your Transfer Admission Planner (TAP) and see if you are eligible to TAG to a university. This workshop covers the application process and guidance on major prep and general education coursework.

**UC Application**

Attend this workshop to learn more about the requirements for the University of California (UC) system, and how to navigate the UC application. We will guide you step by step and provide useful information that will help you to better understand the process of applying to a UC.

**Transfer 101**

Transfer 101 provides an introduction to the transfer process and application requirements. Topics include: the different systems of higher education, steps of applying to transfer, how to pay for college and different transfer resources universities have to offer. Attend this workshop to gain a better understanding of what is needed to transfer to the four-year university of your choice.
