

ASSOCIATE OF ARTS TRANSFER DEGREE IN ENGLISH EAST LOS ANGELES COLLEGE

The English Department of East Los Angeles College offers an Associate of Arts Transfer Degree in English. This degree may enhance enrollment and transfer opportunities at California State Universities. The major provides students with a comprehensive study of composition, literary theory, and rhetorical strategies. Students become familiar with major themes, works, authors, and movements in literature, particularly British and American literature. Students are trained in composition and given a solid background in critical theory to explore literature as an intellectual discipline and art. The required courses help students hone critical thinking, research, rhetoric, and writing skills and prepare them for upper division coursework in English or a related field in which strong writing and critical thinking skills are valued, such as education, law, or business. Students must complete a minimum of 60 required semester units of CSU transferable course work with a minimum GPA of 2.0, including a minimum of 18 semester units in the major with a grade of "C" or better. A grade of "P" (pass) is not acceptable for the major courses. Certified completion of the California State University General Education- Breadth (CSU GE Breadth) or Intersegmental General Education Transfer Curriculum (IGETC) Pattern is also required. **Students may keep track of their progress in the major on the flipside of this document.**
