Father Greg Boyle, an American Jesuit priest and the founder of Homeboy Industries, will speak about the largest gang-intervention, rehabilitation, and re-entry program in Los Angeles. He will feature his new book, *The Whole Language: The Power of Extravagant Tenderness*, and discuss the transformative power of tenderness in counseling and supporting formerly incarcerated youth and gang members. Father Boyle will share how those at Homeboy Industries fight despair and remain generous, hopeful, and compassionate while struggling to overcome systemic poverty and violence.
