Dear ELAC Family,

The 75th Anniversary Yearbook Work Group has been diligently working on putting together a 75th Anniversary Yearbook of our college's history! We are putting a call out and asking you or anyone you know to share photos, testimonies, memories, fun facts and more.

We would like to have a repository for everything in one place, so please use the Dropbox to submit all things related to ELAC History with a short description of the item. Also, if you have any artifacts you may want to share, please take several photos and submit with a description. We will work with our Graphic Designer to categorize all of your documents and photos. The 75th Anniversary Yearbook will be available for purchase.

This is a campus-wide and community collaboration, so any new insights or ideas are also welcome. Thank you in advance for bringing our history of ELAC to life and for making this historical artifact possible.
