WELCOME TO EAST LOS ANGELES COLLEGE

Welcome, Bienvenidos, 欢迎

On behalf of our amazing staff, faculty, and administration, it is a great honor and privilege to welcome you to East Los Angeles College's Office of Continuing Education and Workforce Development (CEWD). We are dedicated to serving the community by providing quality and comprehensive programming for all students.

CEWD has developed key partnerships, programs, and education-to-career pathways in 100 Career Education fields of study. By having real-world industry partnerships our programs are able to remain current with workforce trends and continued to develop cutting edge curricula that meet the needs of our industry and business partners, while also satisfying the diverse interest and needs of current and future students. Our programs include work-based learning opportunities that connect academic learning to today's workforce, allowing students to gain the technical skills needed to enter high-growth and high-wage employment opportunities while being well-rounded team members in their desired industry.

Our online learning programs enable students to take courses at their most convenient time and location. Online learning offers students the opportunity to balance other life responsibilities while advancing their educational objectives. We are committed to serving our adult-learner community by offering a myriad of free quality adult education and certificate programs. We are evermore dedicated to helping our students stay on the path towards achieving their educational goals with as little disruption to their lives as possible.

Today is the perfect day for you to begin your journey with us, as our long-lived traditional saying goes "Start at ELAC...Go Anywhere!"

ENGLISH AS A SECOND LANGUAGE

English as a Second Language is to assist non-native speakers. The objective is gear towards students positive achievement in their workplace, education or other personal goals. The ESL program consists of four core ESL levels and elective offerings which include conversation classes and a variety of workshops. Certificates of Completion are offered if the student successfully completes core sections by meeting certain criteria. The ESL program can help assist students improve their English skills and also prepare students for future transfer to a credit English class. Our goal is to facilitate English language learning and intercultural understanding in a supportive, and respectful environment.

El inglés como segundo idioma (ESL) es para ayudar a los hablantes no nativos. El objetivo es el engranaje hacia el logro positivo de los estudiantes en su lugar de trabajo, educación u otras metas personales. El programa de ESL consta de cuatro niveles básicos de ESL y opciones optativas que incluyen clases de conversación y una variedad de talleres. Se ofrecen certificados de finalización si el estudiante completa con éxito las secciones básicas al cumplir con ciertos criterios. El programa de ESL puede ayudar a los estudiantes a mejorar sus habilidades en inglés y también prepararlos para una futura transferencia a una clase de crédito de inglés. Nuestro objetivo es facilitar el aprendizaje del idioma inglés y la comprensión intercultural en un entorno de apoyo y respeto.

EAST LOS ANGELES COLLEGE ARCHITECTURE

The Department of Architecture at East Los Angeles College is the most extensive in Southern California in terms of course offerings, programs, and faculty.

The department is committed to provide its students with the most relevant and highest level of professional education in the field of architecture and to prepare them to the societal, cultural, and environmental challenges that they will face in their careers.

Every year, a large number of our students transfer to a local university program such as USC, Woodbury University, Art Center, New School of Design, SCI-Arc, or Cal Poly Pomona.

An increasing number of our students also transfer to out of state schools and in particular to East Coast institutions such as Pratt, Cooper Union, Syracuse, University of Pennsylvania, and Illinois Institute of Technology to name a few.

CAREER PATHWAYS

EARLY ROAD MAPS FOR SUCCESS

Our programs offer a clear Career Pathway. Using educational road maps that outline an aligned sequence of courses. This helps better prepare students, for college and career transitions in specific industry sectors.

FREE DUAL ENROLLMENT FOR YOUNG STUDENTS

ELAC's dual enrollment program has partnerships with LAUSD and MUSD which enables the college to offer multiple levels of free courses for middle & High School students. Many students are using dual enrollment to cut the time they need to spend in college, while parents see them as a great real money saver.

HERE ARE SOME BENEFITS OF DUAL ENROLLMENT:

- Less time required after high school to finish a college degree
- Provides students with a head start on the college experience
- Dual-enrollment classes often save students money on tuition
- Students have access to college libraries and resources
- Grades earned become part of the student's permanent transcript
- Students may be able to transfer credits earned to a four-year school
- Students may explore careers or fields of study that help them choose a major later
- Students may choose from classes not currently available at their high school

PREPARING TODAY FOR SUCCESS

Students learn critical workplace skills, explore careers options, earn credits that will apply towards Industry skilled certificates, Associates degrees, employment, or internships. In some cases credits are earned towards a four-year degree when taking UC/CSU University transferable courses.
