Degree Path and Requirements:

Noncredit Program: Basic Reading Success, Certificate of Completion. This map is a suggested term-by-term sequence of courses to complete the program in a recommended time frame. This is an efficient and recommended plan, but actual plans may vary by individual student need. This map cannot replace a meeting with [counselors](#).

Department Advising Notes:

New students needing reading skill development, particularly those adults returning to school after many years, are recommended for this program. This can serve as a first step into further noncredit and credit coursework. ACAD PR 005CE can be paired with a CTE program to address basic skill needs while receiving career technical training.

Program Description

The Basic Reading Success Certificate of Completion develops students' reading skills with a focus on both fiction and nonfiction. This can serve as a foundation for continued study.

Career and Transfer Opportunities

Academic Preparation courses are designed for students who wish to improve reading, writing, math, and study skills before enrolling in college-level credit courses. These courses also prepare students to take the GED/HiSET high school equivalency exams.
