For additional information about the Honors Program, please visit the ELAC Honors Program website or contact Dr. Bermudez at bermudn@elac.edu .
GE Course		Area 5B: Biological Sciences	3	Department recommends ANTHRO 101. ANTHRO 101 has sections that include a low cost (LCT) or no cost textbook (ZTC). Check the current catalog for the section number(s). You can search for classes in the ELAC and LACCD Schedule of Classes under "Class Search Type" as "Zero Textbook Cost" or "Low-Cost Textbook Classes."	ANTHRO 101 has sections that are part of the Honors Program. Check the current catalog for the section number(s). To apply for admission to the Honors Program, please visit the ELAC Counseling Center. For additional information about the Honors Program, please visit the ELAC Honors Program website or contact Dr. Bermudez at bermudn@elac.edu .
GE Course		Area 5C: Science Laboratory	3	Department recommends ANTHRO 111.	

Total Units 15

Degree Path and Requirements:

This program is for students who wish to acquire an Associate in Arts degree with an emphasis on multimedia and video-related skills. This map is a suggested term-by-term sequence of courses to complete the program in a recommended time frame. This is an efficient and recommended plan, but actual plans may vary by individual student need. This map cannot replace a meeting with [counselors](#). Students can apply for certificates as soon as the necessary courses are completed. Meet with a counselor and the financial aid office to ensure continued financial aid. Check with [financial aid](#) for eligibility.

Department Advising Notes:

Whether the student's goals are vocational or personal, the recognition of art as a qualitative concern characterizes the philosophy of this department. Ultimately, the Art Department's program seeks to give the student every opportunity to develop his/her potential for aesthetic awareness, aesthetic expression, and critical analysis.

Program Description

The student completing the Multimedia AA degree will enhance their visual literacy through the acquisition of observational, technical and analytical skills.

Career and Transfer Opportunities

Students graduating with an AA degree in Multimedia would primarily get production work. This may be at a design studio or other business. It would usually involve doing the computer layout work following the instructions of an art director or lead designer. The main skills employers will be looking for are proficiency with Adobe software and animation software.

Visit the [Transfer Center](#) for transfer information, which varies based on transfer college. Make an appointment with a [counselor](#). Students can visit [Career and Job Services](#) for career counseling and further exploration. For additional resources, students pursuing a certificate can visit the [American Job Center of California](#) on ELAC main campus.

Youtube Videos

[Multimedia Artists and Animators Career Video](#)

Program Map

A suggested sequence of classes to complete a degree, certificate, or program of study. Students should consult an academic counselor for variations to this plan based on part-time or full-time status, transfer plans, pre-requisites needed, etc.

Prerequisite Course

A specific course that must be completed before advancing to the next course.

Check the online catalog at elac.edu for the latest and most accurate information.
