Program Description

This Certificate of Achievement is designed for working in the Commercial Music Industry, as a music performer with the specialty in piano.

The certificate is designed and managed by commercial music professionals and provides students with skill sets not typically required in traditional music curricula. Students master piano technique, explore various piano styles, music theory, ear-training, vocal and/or instrumental technique, sight-reading skills, and ensemble skills. Students enjoy the hand-on approach offered by commercial and traditional music faculty, with labs being a primary source of direct learning and collateral experience.

Career and Transfer Opportunities

Songwriter (film, TV, video games, commercials), recording engineer, mixer, music producer, audio technician, music supervisor, and music copyist.

Visit the [Transfer Center](#) for transfer information, which varies based on transfer college. Make an appointment with a [counselor](#). Students can visit [Career and Job Services](#) for career counseling and further exploration. For additional resources, students pursuing a certificate can visit the [American Job Center of California](#) on ELAC main campus.
