Department Advising Notes:

The department suggests THEATER 251 and 256 for additional skills in Theater in the Community.

Program Description

The Theatre in the Community Certificate gives students solid academic and practical experience in producing theatrical productions for non-traditional venues. At the core of the Theater in the Community Certificate of Achievement is ELAC Storytheatre; a free program that tours elementary schools with children's theatre productions or 'brown bag' lunchtime performances at senior centers, food banks and events throughout Los Angeles and the San Gabriel Valley.

Ten weeks out of every semester Storytheatre students design and lead creative drama workshops for children at Robert Hill Elementary across the street from the ELAC campus.

The Theatre in the Community Certificate of Achievement also offers paid and unpaid internships and work based learning opportunities to develop skills to enter the workforce as a creative theatre specialist or teaching artist. The Theater in the Community program maintains partnerships with professional theaters and arts organizations to place students as education, production and performance interns.

Affiliated Organizations:

LA MusArt, Center Theatre Group, City of Commerce, Parks and Recreation,
Ramona Gardens Boys & Girls Clubs, Exploring the Arts, A Place Called Home,
Robert Hill Elementary School, Los Angeles County.

Career and Transfer Opportunities

The Theatre in the Community Certificate of Achievement focuses on marketable skills to enter the educational, health, recreational or social service industry as a Creative Theatre Specialist or Teaching Artist. Upon completion of the certificate the student will have earned the practical, experiential and theoretical background required to design and produce theatrical experiences for children, older adults and under served communities in non-traditional theatrical venues or to continue on to a four-year degree with a pre-determined emphasis in education, applied therapeutic theatre, dance or psychology.

Visit the [Transfer Center](#) for transfer information, which varies based on transfer college. Make an appointment with a [counselor](#). Students can visit [Career and Job Services](#) for career counseling and further exploration. For additional resources, students pursuing a certificate can visit the [American Job Center of California](#) on ELAC main campus.
