I certify to the best of my knowledge that the above statements are true. I understand that providing misleading or fraudulent information are grounds for denial and/or termination of services. I understand that I have the right to appeal the denial of my request for services.

LOS ANGELES COMMUNITY COLLEGES DISTRICT CHILD DEVELOPMENT CENTER

Fraud Statement

This program defines fraud as an intentional misrepresentation, concealment, or nondisclosure of information for the purpose of inducing Center Staff to rely on it for determining eligibility for services.

Subsidized child development services are not an entitlement; families must meet eligibility requirements. Ultimately, the burden of proof of eligibility is on the parent, not the Center. If the parent cannot prove eligibility, the Center has no obligation to serve the family. At any step in the completion of the enrollment process or child's attendance in the program, services may be suspended, if fraud is substantiated. Documentation of fraud will be forwarded to the General Legal Council of the Los Angeles Community Colleges District (LACCD). If a family has obtained services through fraud, a payment of outstanding tuition balance is required before any future services are considered.

The Center may verify information/documentation provided by the parent.

I understand the above fraud statement and declare, under the penalty of perjury, that the information and documentation I have provided, is true and correct to the best of my knowledge. I give LACCD Child Development Center permission to verify all information provided.
