

# Alondra Barragan Scholarship Fund

## **PURPOSE:**

Looms For Lupus is a non-profit organization that provides advocacy, awareness, and support to those living with lupus and overlapping conditions. We are proud to announce the launch of The Alondra Barragan Scholarship Fund. The scholarship fund will be awarded to one or more students every year, and recipients will receive a minimum award of \$500 made payable to the educational institution at which they are enrolled.

The Alondra Barragan Scholarship Fund is a wonderful initiative by Looms for Lupus to support students with lupus who are pursuing their academic goals. This scholarship fund has been created in honor of Alondra Barragan, a beautiful, intelligent, loving, and caring young lady who had a love and passion for education. Despite her illness, she never let it stop her from pursuing her dreams. She wanted to be a preschool teacher and later realized that she wanted to be a Speech and Language Pathologist.
