

EAST LOS ANGELES COLLEGE

International Student Program

www.elac.edu

An aerial photograph of the East Los Angeles College (ELAC) campus. The image shows several modern, multi-story buildings with a mix of brick, concrete, and glass facades. A prominent feature is a tall, grey clock tower with a large clock face. To the left, there is a large, multi-level parking garage. The foreground shows a paved walkway and green lawn areas with young trees. The background consists of a hilly landscape under a clear blue sky.

**Welcome to
East Los Angeles
College (ELAC).**

Welcome to East Los Angeles College (ELAC). We're a community college that offers both academic transfer courses and vocational programs, all of which prepare international students for transfer to a four-year institution or careers in the workforce.

We teach quality level classes, offer hundreds of degrees & certificates, and provide great resources for student success. And International students save tons of money by completing courses at ELAC before attending a four- year university. It's cheaper and provides the opportunity to transition to the American education system and lifestyle at a campus that fully supports them.

We're a modern campus.

Fresh landscaping, modern buildings and high-tech classrooms, our campus is equipped with state-of-the-art facilities like visual and performing art studios, STEM labs, and lecture halls. We even have a multi-story library, café, bookstore, and academic support center — all for students.

If you're looking for something to do on-campus, the Vincent Price Art Museum offers rotating exhibitions from local artists every semester. For after class fun, don't forget to attend one of our husky athletic games at the 22,000-seat football stadium.

CAUTION: Raise the sash above this line for setup only. Operate hood with the sash below this line.

**We have
32 majors.**

We offer academic programs that prepare students for university transfer or to be career ready. Whether you have your heart set on a specific major or still exploring options, international students can change majors anytime at ELAC. We offer full academic support and career knowledge to help determine a major that's right for you.

There's a team to help along the way.

The International Student Office (ISO) has dedicated counselors, bilingual staff, and international student peers. ISO offers several cultural events to showcase our international students, including Lunar New Year, Water Festival & Global coffee event, and sponsors multiple international student clubs, that highlight the diverse culture of our students. Our team also helps coordinate university tours, campus work opportunities and more.

Start at ELAC. Transfer Anywhere!

ELAC has transfer agreements with University of California (UC) schools, Cal States (CSU) and most private schools in California. Students complete the first 2-years of General Education and lower division major courses and transfer to a 4-year university for the last two years of upper-division courses, to obtain a bachelor's degree.

We also offer the UC Transfer Admission Guarantee (TAG) which give students transfer assistance and priority admission to select UC universities. With the TAG agreement, international students select one UC school and have guaranteed transfer admission if they meet TAG requirements. Students can apply for regular transfer admission to all UC, CSU, and private universities.

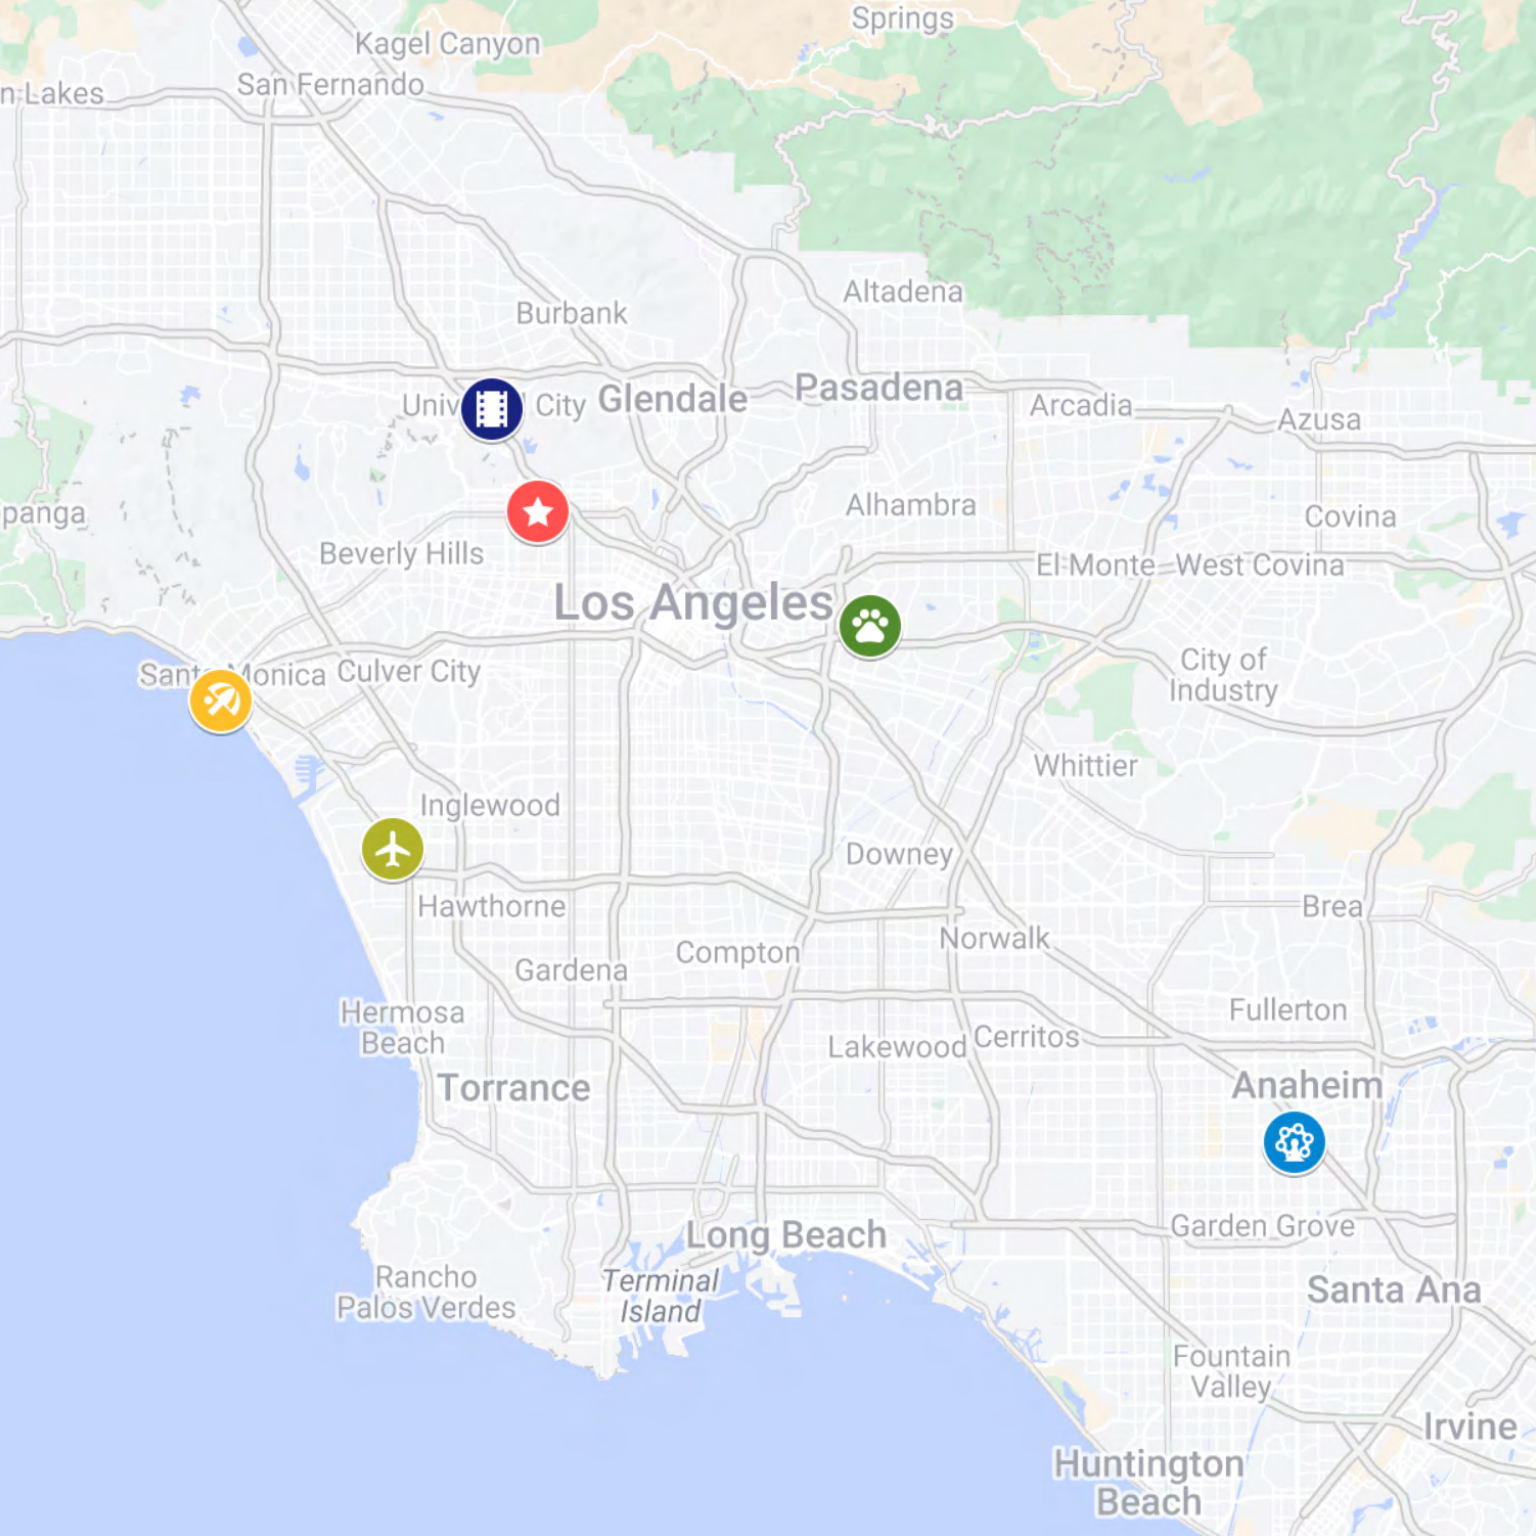

**Palm trees,
sunshine, and
the LA skyline.**

From theme parks and thrills in Hollywood to beautiful sunny beaches along the Pacific, LA's full of fun and entertainment. And since ELAC is conveniently located next to frequent transit, it's easy to explore the city and everywhere in between — promise you'll hit a taco stand... really, it's an LA thing.

Here's all you need to know about getting started at ELAC.

International admission is offered for the Fall and Spring semesters. Application deadlines and start dates are listed at elac.edu.

- International CCCApply: students must complete the two-part international application process on CCCApply at bit.ly/3TjV2hH.
- English Competency: International students (F-1) are required to have a minimum TOEFL score of 450 (133 Computer-based TOEFL or Internet Based Test 45), an IELTS minimum score of 5 or a Duolingo score of 75. ELAC offers internet based English competency interview via Zoom.
- Academic Records: three years of high school or college translated in English.
- Bank Document: with equivalence of \$24,000 USD – one year estimate tuition and living costs.
- Financial Affidavit: signed by sponsor.
- International Application fee: \$50 USD.

Once all required documents are submitted by email (elac_iso@elac.edu), admission evaluation will be determined and accepted students will be emailed an acceptance letter and US Federal document I-20 in approximately a week.
