April 2025

Important Changes

These changes affect registration, course selection, degree selection, graduation, and transfer for California community college students.

Payment Fee Policy

Starting Summer 2025, students must pay their fees by the published due date to avoid being dropped from classes.

If you are unable to pay, explore your options at www.elac.edu/cost-tuition/fee-payment-policy

Common Course Numbering

Starting Fall 2025, some course numbers and titles will change to a streamlined statewide system.

Those who've taken courses under their previous name still count and do not need to retake courses.

Cal-GETC: General Education

Cal-GETC is the new general education pathway for students planning to transfer to a CSU or UC.

This only applies to new students starting Summer or Fall 2025.

Associate Degree for Transfer

If you've chosen an AA-T or AS-T major, your program has been updated to an ADT to support CSU transfer.

Meet with a counselor before reaching 15 units to stay on track.

If you changed your major after August 1, 2024, update your educational plan.

Students continue improving their reading and writing skills and vocabulary expansion and continue to increase their awareness and proper application of linguistic registers and Spanish grammar. Students practice discussion, listening, reading, and writing in the context of the geography, customs, and cultures of the Spanish-speaking countries and of the Latino experience in the United States. Prerequisite: Spanish 035 or equivalent preparation. Credit is given for Spanish 003 or Spanish 036, but not for both.
