## Payment Plan Key Points

Once your payment plan is set up, monthly payments will be automatically charged to the debit card or credit card provided during the setup process, on the 15th day of each month.

Live chat is available for assistance.

Do not sign up for a Payment Plan if you meet at least ONE of the following conditions:

- You are approved and awarded a California College Promise Grant -(CCPG)
- You have anticipated financial aid sufficient to cover all your fees
- You are sponsored by another organization, and the College Business Office has received confirmation of the anticipated aid and payment is pending. (Read section on Sponsor/Third party)
- You submitted required paperwork for private scholarship or outside funding and have forwarded that information to the College Financial Aid Office
- You are eligible for the Los Angeles College Promise program.
