MASTER OF CEREMONIES

Carmen Soto, Ed.D.

Dr. Carmen Soto, a Counselor at ELAC since 2015, is honored to serve as this year's MC. Carmen is a first-generation college graduate and the proud daughter of Mexican immigrants! She earned a B.A. in Sociology from Loyola Marymount University (LMU) after transferring from Pasadena City College. At LMU, Carmen was inspired by the Jesuit idea that one's education was meant to benefit others. It is this perspective that has driven her counseling in motivating students to use their success as a means to uplift their communities. Carmen also holds an M.Ed. in Educational Counseling and Ed.D. in Educational Leadership with a concentration in Educational Psychology from the USC Rossier School of Education. At ELAC, Dr. Soto serves as a Co-Advisor for the Huskies Transfer Club, a Puente Mentor, teaches courses, and provides academic, university transfer, and honors counseling to students.

STUDENT SPEAKER

Salma Magdalena Medina

Salma Magdalena Medina is a graduate of Garfield High School in East Los Angeles. She began attending East Los Angeles College in June 2023 and will graduate in June 2025 with four Associate Degrees in Arts and Humanities, Social and Behavioral Sciences, Law, Public Policy and Society, and Political Science. She is a member of the Phi Theta Kappa Honor Society and will earn an honors certification. During her time at ELAC, Salma served as Vice President of the Transfer Club (2023–2024) and President of the Pathway to Law School Program (2024–2025). She was selected as a semi-finalist for the 2025 Jack Kent Cooke Transfer Scholarship. Salma is transferring to UCLA in the fall of 2025 and pursuing a Bachelor's Degree in Political Science. Her goal is to attend law school and become a legislative attorney focused on expanding equity through public policy.

LETTER FROM OUR GUEST SPEAKER

Dear Huskies,

Today, we celebrate your resilience, determination, and unwavering commitment to your education. Your journey to this moment has been filled with challenges, late nights, and sacrifices—but each obstacle you’ve overcome has shaped you into the leader you are today.

East Los Angeles College is more than a place of learning—it is a symbol of opportunity, empowerment, and community. Many of you have balanced work, family, and responsibilities while pursuing your dreams. Your perseverance represents the very spirit of East LA—a community built on hard work, vision, and the belief that success is within reach for those willing to fight for it.

As you step into the next chapter of your lives, I urge you to continue lifting others as you rise. Whether you are entering the workforce, pursuing higher education, or carving your own path, remember that your knowledge and experiences hold the power to create change. Our communities need leaders like you—leaders who will advocate for justice, equality, and opportunity for all.

The world you enter today is different from the one before. The lessons of the past few years have shown us the importance of resilience, adaptability, and standing together in the face of adversity. You are part of a generation that will shape our future—a future that must be equitable, accessible, and full of opportunity for everyone, regardless of background or circumstance.

Know that your success is not just yours—it is shared by your families, your educators, and the generations who paved the way for you to walk across this stage. Celebrate this milestone with pride, knowing that you carry forward a legacy of strength and perseverance.

Congratulations, Class of 2025! May your passion, hard work, and dedication guide you toward a future full of endless possibilities.

With profound respect and admiration,

María Elena Durazo
State Senator, Twenty-Sixth Senate District

ACADEMIC REGALIA AND DEGREE COLORS

Commencement ceremonies with their academic gowns, mortarboards, tassels and hoods are colorful traditions handed down from European universities of the Middle Ages. Academic regalia, as we know it today, has evolved from the robes, hoods and caps worn mainly for warmth in unheated buildings by the clerics, monks and priests who were the first students.

The master's and doctor's gown are differentiated mainly by the cut of the sleeves and the velvet trim on the doctor's gown. The mortarboard, or square cap, is worn by all graduates up to the master's degree, while doctoral degree recipients may elect to wear either a mortarboard or a tam. Candidates for graduation wear the tassel on the right side of the mortarboard. Upon conferring of the degree, the tassel is moved to the left. The silk lining of the hood bears the color or colors of the institution from which the wearer graduated. Represented among the colors worn by members of the East Los Angeles College faculty and administration are dozens of colleges and universities from which they earned their highest degree. The color of the velvet band around the hood designates the scholar's field of learning.

ARCHITECTURE	BLUE VIOLET	MEDICINE	GREEN
BUSINESS ADMINISTRATION	DRAB	MUSIC	PINK
ECONOMICS	COPPER	NURSING	APRICOT
EDUCATION	LIGHT BLUE	PHILOSOPHY	DARK BLUE

The hood worn by graduates indicates that they are recipients of the Associate in Arts and Science Degree, East Los Angeles College.
