## CCCSE Part of Osher Initiative \$800

Thanks to the generosity of The Bernard Osher Foundation, thousands of California Community College students, like you, may receive an Osher Scholarship as part of the California Community Colleges Scholarship Endowment. Mr. Osher's vision is to "not only benefit the community college students of today but countless more for years to come."

East Los Angeles College Foundation participated in the FCCC/Osher matching fund Initiative and currently has over 1.8 million dollars in an endowment fund that is designated for East Los Angeles College students. That was accomplished through the diligent fundraising efforts of the ELAC Foundation staff and Board of Directors.
